Experimental Site Provisions

~~Effective with the 2017–2018 school year, San Diego City College, San Diego Mesa College, and San Diego Miramar College have been approved by the U.S. Department of Education to participate in an experimental initiative regarding "over-borrowing" that will require a group of students to complete additional loan counseling before loan funds can be disbursed to the student.~~

Effective the 2017–2018 school year and onward, SDCCD (City, Mesa, and Miramar) has been approved by the U.S. Department of Education to participate in an experimental initiative to request certain borrowers to complete additional loan counseling.

Additional loan counseling will provide:

- Positive, influential decision-making about borrowing

- Promote successful repayment of student loan including reducing delinquency and defaults

- Have a positive impact on students' academic performance (e.g., grades and time-to-completion)

Random Assignment Process:
An institution's eligible undergraduate Direct Loan borrowers who previously completed entrance counseling will be included in the experiment. Approximately one-half of those borrowers will be randomly assigned to:

- A treatment group where the borrowers will be required to complete additional counseling, or

- A control group where the borrowers will not be required to complete additional counseling

Information for students in both the treatment and control groups will be reported to the Department.
