

# SAN DIEGO COMMUNITY COLLEGE DISTRICT

## Board Policy

### Chapter 4 – Academic Affairs

#### BP 5102 CAREER AND TECHNICAL EDUCATION PROGRAMS

---

Consistent with federal regulations pertaining to federal financial aid eligibility, the Chancellor or designee shall establish procedures to ensure the District meets the United States Department of Education disclosure and reporting requirements whenever the District intends to add or revise a gainful employment program.

Consistent with the California Code of Regulations, title 5, section 55130, and Education Code section 78016 the Chancellor or designee shall establish procedures to ensure the District meets the career technical education program biannual reporting, review and approval requirements.
