### Chapter 5 – Student Services

#### BP 5200 – STUDENT HEALTH SERVICES

---

Student Health Services support the success of students by attending to their physical and psychological well-being. Student health services shall be provided on the District credit college campuses in order to contribute to the educational goals of students by promoting physical and emotional well-being through health-oriented programs and services.

Student Health provides general medical and nursing care to students currently enrolled and attending classes. The office services are similar to a typical urgent care office, with the semesterly health service fee, no additional fees apply, and visits with a provider are free.

All students are assessed a mandatory fee for health services and accident insurance whether or not they choose to use the health services available to them, see the current college catalog for details surrounding the health services fee, exceptions, and waivers available.
