- D. Review of Compensation and Benefits to be Paid Management Employees

Compensation and benefits paid to management employees are to be adjusted upon approval by the Board of Trustees.

- E. Initial Placement on the Salary Schedule

1. From Within the District

An employee continuing from the preceding year who is transferred from another District salary schedule to the Management Salary Schedule shall first have their salary placement determined on the appropriate salary range of the former salary schedule for the next year in accordance with the existing regulations, and then be allocated to the step within the designated salary range which provides at minimum a five percent (5%) increase. In no instance, however, shall an employee so transferred be paid at a rate lower than that which the employee would receive if they were entering as a new employee without experience in the District.

The salary differential received by an employee for additional responsibility on the former salary schedule (exclusive of extended day or extended work year differential pay) shall be allowed in determining the new placement on the Management Salary Schedule.

2. New to the District

A manager new to the District shall be placed on the step of the appropriate salary range based upon an evaluation of the type and level of their previous experience. Normally, new hires with more than three (3) years of directly related experience shall be eligible for placement on Step B. New hires with more than six (6) years of directly related experience shall be eligible for placement on Step C. However,

CHAPTER V - PAY AND ALLOWANCES

the Chancellor may authorize a higher step placement within the range ~~up to Step~~ **F** when it is considered to be in the best interest of the District.

F. Underpayments or Overpayments

Proper salary range and step placement is a joint responsibility of the employee and the District. Each employee is encouraged to review their salary placement annually and should the employee suspect they are improperly placed on the salary schedule, the employee should bring this information to the attention of the District Human Resources office immediately.

Should underpayment or overpayment in compensation occur, for purposes of determining the amount to be refunded or collected, retroactivity shall be limited to one (1) calendar year from the time the error is brought to the attention of the affected employee or Human Resources. If the error cannot be corrected prior to the issuance of the subsequent pay warrant, retroactivity will be extended until a correct pay warrant is issued.

Should the incorrect salary placement result in an overpayment, the District is required to recover the full amount of such overpayment. In cases of underpayment, the District will issue a supplementary warrant for the amount due the employee.

In cases of overpayment, the employee shall pay the full amount back to the District within one (1) calendar year from the date of the issuance of the employee's first pay warrant which includes a deduction for a portion of the overpayment. In cases where the one (1) year time frame would cause the monthly repayment deduction to exceed five percent (5%) of the affected employee's gross pay for that month, said deduction shall be limited to five percent (5%) of the employee's gross pay, and the time frame for repayment shall be extended until the full amount is repaid.

G. Salary Schedule Rules and Regulations

1. Salary Deductions

In the case where certificated managers are absent without pay for a full day or more for any reason other than jury duty, attendance as a witness, or temporary military leave, the number of workdays in the twelve (12)-month contract year (246) will be used to adjust their annual salary.

In accordance with the July 1, 2017 through June 30, 2020 RAF, any premium increases to the health (at the agreed upon composite rate), vision and dental benefits, effective after December 31, 2017, will be charged to the Management Unit's share of the RAF, covering the period of January 1 of the current fiscal year through December 31 of the following fiscal year. (See Appendix 2)

This will be the only source of funds to cover increases in Health & Welfare benefits costs. If costs exceed these available resources, they will be borne by the employee, unless the Management Association elects to divert COLA resources to pay for benefit costs.

- a. Eligible employees electing to participate in a plan option which exceeds the District contribution shall be required to contribute the difference through monthly payroll deductions.

The District shall contribute the same amount as that for active managers toward the premium for the District's group medical insurance on behalf of a surviving spouse of a deceased manager for a period of one (1) calendar year following the death of the manager. The District monthly payment shall apply toward the cost of the premium for any of the medical insurance plan options offered through the District. In order to receive the “In-Lieu-of Dual Medical Coverage” stipend, one (1) of the enrolled employees must waive medical coverage by completing a San Diego Community College District Waiver Form. This waiver may be voluntarily rescinded during open enrollment each year, and will automatically rescind if the covered employee loses coverage due to resignation, retirement, layoff, reduction in hours, or any change in dependent status.

In the event of rescission, District coverage will begin for the dependent of the covered employee effective on the effective date of the rescission (no lapse in coverage).

3. Payment

Beginning with the month dual coverage ceases, an annual amount not to exceed \$1,200 will be set as a stipend in the monthly paycheck of the employee waiving medical coverage. C. Retirees – Service Retirement for Managers hired prior to April 1, 1989

1. Medical: The District shall contribute the same amount as for active managers toward the cost of the premium for any of the group medical insurance plan options offered through the District for all eligible retirees. The premium cost contributed shall include coverage for dependents. The managers shall have retired on service retirement under the provisions of PERS or STRS, and must have worked in a management position for the San Diego Community College District for a minimum of eight (8) years. Eligible retirees electing to participate in a plan option which exceeds the District contribution shall be required to contribute the difference in the form of deposits at least one (1) month in advance. Any retiree or their dependent(s) shall file on the first date eligible, for any state or federal government-sponsored health program for which they may be eligible and which benefits specifically supersede or offset those offered under a District plan. The District will reimburse the premiums required for managers or their dependent(s) to participate in such state or federal program.

The District shall contribute the same amount as that for active managers toward the premium for the District’s group medical insurance on behalf of a surviving spouse of a deceased retiree, for a period of one (1) calendar year following the death of the retiree, provided the retiree was covered under the above paragraph on the date of death. If the surviving spouse elects to participate in a plan option

CHAPTER XIII - INSURANCE BENEFITS

which exceeds the District's contribution, they shall be required to contribute the difference in the form of deposits at least one (1) month in advance. The District's contribution toward medical insurance plan option shall be paid for a period of one (1) calendar year beginning with the first day from the date of death of the retiree.

Retirees not meeting the above criteria for partial district-paid premium may continue to participate in the medical insurance plan by paying premiums to the District at least one (1) month in advance.

The Board may, at its option, waive the eight (8) year management service requirements described above, and may provide up to three (3) years of benefits to retiring managers who do not meet the eight (8) year management service requirement, if all of the following conditions are met:

- a. The person is retiring because of a terminal disease or injury;
- b. The illness or injury has been confirmed by the retiree's personal physician and a second physician paid at the District's expense;
- c. The retiree has performed satisfactorily in the management position and has been evaluated satisfactorily.

After three (3) years of District paid benefits, the retiree may continue regular medical benefits by assuming all payment of the monthly premiums.

2. Dental: A premium shall be paid by the District toward the cost of Group Dental Insurance for retirees on the same terms as active managers, provided they have worked in a management position for the San Diego Community College District for a minimum of eight (8) years, and further provided that the individual be retired under the category of service retirement, under the provisions of PERS or STRS. Coverage options shall be provided on the same basis as for active managers.

The District shall pay the cost of dental insurance for the surviving spouse in the same amount as for active managers for a period of one (1) calendar year provided the retiree was covered under the above paragraph at the time of death.

Retirees not meeting the above criteria for district-paid premium may continue to participate in the district dental insurance plan by paying premiums to the District at least one (1) month in advance, provided the retiree is also a participant in the District's Group Health Insurance Plan.

CHAPTER XIII - INSURANCE BENEFITS

 - a. Voluntarily or involuntarily are reassigned from the Management unit into other District position(s);
 - b. Retire from such position after satisfying the conditions for retirement for service as specified in the Management Employees' Handbook.
4. Vision Insurance: All eligible retirees will be given the opportunity at the time of retirement and during open enrollment to participate in the District's vision care program by pre-paying an annual premium equal to that paid by the District for active managers.
5. Contingent upon (1) approval of health care providers and (2) a determination that the District's medical premium rate does not increase, the surviving spouse or domestic partner may elect to buy into the District medical plan. This benefit shall become effective only at the time these contingencies have been met.

D. Retirees - Service Retirement for Managers Hired On or After April 1, 1989

1. The District shall provide to each eligible retiree a choice, including at least one (1) Health Maintenance Organization Plan option, of comprehensive group medical plan options during open enrollment periods. The open enrollment period for enrollment or changes in group insurance will be held once annually as announced by the District Benefits Office.
 - a. The District shall contribute the same amount per month as for current active employees toward the cost of the premium for any of the medical insurance plan options offered through the District for all eligible retirees.
 - b. Eligible retirees electing to participate in a plan option which exceeds the District contribution shall be required to contribute the difference in the form of deposits at least one (1) month in advance.
 - c. Retirees who do not meet the qualifying criteria defined in D.2 below may continue to participate in the medical, vision, or dental plan option of their choice by paying premiums to the District in advance.
2. Eligible retirees as defined in this section shall mean those managers who have retired from the State Teachers' or Public Employees' Retirement Systems on a service retirement and who have worked as a contract employee for the San Diego Community College District for a minimum of twenty (20) years and are between the ages of sixty (60) and sixty-four (64) inclusive.

Employees in qualified plans are allowed to earmark pre-tax dollars toward specific uses for health and dependent care. District offers employees participation in its Flex Plan for health care premiums, health care expenses, and dependent care expenses. Amounts included in the Flex Plan would not be subject to federal, state or social security taxes.

It is understood that the District has made no representation regarding tax or other consequences of the Flex Plan with regard to any particular employee or group of employees and that any questions by any employee should be directed to his or her personal financial, legal, or tax advisor.

CHAPTER XIV - MANAGEMENT EMPLOYEE EXPENSES

- A. District insurance coverage is available to management employees who may be sued for actions arising while engaged in District business. All District insurance is always supplementary to personal insurance coverage.
- B. Upon the completion of work-related courses, a management employee shall be reimbursed for tuition, registration fees, and books. CHAPTER XV - GRIEVANCE PROCEDURE

A. Definitions

1. A grievance may be filed whenever a party alleges that there has been a violation of the terms and conditions of this Handbook.
2. A supervisor means the individual who assigns, reviews, and directs the work of the grieving management employee.
3. A party is a management employee or the District.
4. The failure of the management employee to act on any grievance within the prescribed time limits will act as a bar to any further appeal. Management's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.
5. An investigation or other handling or processing of any grievance shall be conducted so as to result in minimal interference with, or interruption of, the instructional program and related work activities of the grieving management employee or of the staff.
6. Days shall mean calendar days.
7. Reference to any management representative shall include designee.

B. Procedure

1. First Step - Within thirty (30) days from the date on which the grievant knew or should have known that an alleged grievance has occurred, the grievant shall notify his supervisor of the alleged grievance, either orally or in writing. Within ten (10) days after such notification, the grievant and the grievant's supervisor shall meet and attempt to resolve the grievance through informal discussion. Within four (4) days after such meeting, the supervisor shall make his decision known, orally, to the grievant.

CHAPTER XV - GRIEVANCE PROCEDURE

2. Second Step - In the event the grievance is not satisfactorily resolved at Step One, within fifteen (15) days from the date of the supervisor oral decision, the grievant and/or the Association shall file with the office of the grievant's President/Vice Chancellor or Chancellor a written grievance on the Grievance Form provided by the District. On said Grievance Form, the grievant shall set forth the alleged grievance and the remedy sought. Such forms are to be provided the management employee upon request at the District Human Resources Office. Within fifteen (15) days from the date of filing of the written grievance, the President/Vice Chancellor or Chancellor, as the case may be, shall meet with the grievant and/or the Association in an attempt to resolve the grievance. Within fifteen (15) days from the date of such meeting, President/Vice Chancellor or Chancellor shall provide a written decision to the grievant and/or the Association.
3. Third Step - In cases of discipline, the grievant and/or the Association may file a request for advisory arbitration with the Vice Chancellor of Human Resources. If the grievance is not resolved at Step 2, it may be appealed within ten (10) days of receipt of the written decision from Step 2 by filing a written notice of appeal with the Vice Chancellor, Human Resources. The grievance shall be submitted to a neutral arbitrator to be jointly selected by the District and the Association for arbitration. All issues including dismissal or retroactive payments will be submitted for advisory arbitration. The cost of the arbitration shall be borne by the district.

In cases of termination, the grievant may file a notice of appeal regarding the advisory decision of the hearing officer to the Board of Trustees within fifteen (15) days after receipt of such advisory decision. All other advisory decisions of a hearing officer may be appealed to the Chancellor. Thereafter the final decision shall be made by the Board of Trustees for termination or the Chancellor for all other actions.

4. Additional Delineations
 - a. Individuals involved in the grievance procedure, whether as a grievant, a witness, or a representative of the Management Association, shall not suffer any restraint, interference, discrimination, coercion, or reprisal as a result of any legal participation in the grievance.
 - b. During the course of any investigation of a properly-filed grievance, the District shall cooperate and furnish such public information as requested in accordance with this procedure.
 - c. A grievant may withdraw the grievance at any level. In any event, the withdrawal of a grievance shall not constitute a precedent which may affect and similar cases occurring thereafter.

CHAPTER XV - GRIEVANCE PROCEDURE

- d. The decision of the advisory arbiter shall stand unless reversed by the Board of Trustees within ninety (90) days.
- e. If a grievant files any claim or appeal on the same matter through any process within or outside the District, the District and the Association shall not be required to process the same claim or appeal under this procedure.
- f. Time limits may be extended by mutual agreement.
- g. An investigation or other handling or processing of any grievance by the grievant shall be conducted so as to result in minimal interference with, or interruption of campus or district operations and related work activities of the grieving employee or staff.
- h. The grievant shall have the right to be accompanied by an Association representative at each step.
- i. When both parties at Step 2 determine that resolution of the grievance may be reached through the services of the Employee Assistance Program or the State Mediation and Conciliation Service, the time period in Step 2 and 3 will be extended to meet the time constraints of the mediator or counselor.

CHAPTER XVI - EARLY RETIREMENT

A. Reduced Load

On the approval of the Board of Trustees, managers shall be granted the option of fifty percent (50%) reduced load-early retirement under the following rules:

1. The managers must have reached the age of fifty-five (55) prior to the reduction in workload.
2. Managers must have been employed full time as managers for at least the minimum years required for vesting by their retirement system. If a manager was on a Board-approved paid leave of absence at any time during the immediately preceding five (5) years, such leave of absence will be counted as full-time employment.
3. The option of part-time employment may be exercised at the request of the manager and can be revoked only with the mutual consent of the Board and the manager. Participation in this program is limited to eight (8) years. Retirement is mandatory at the end of that period.
4. The manager shall be paid a salary which is the pro rata share of the salary they would be earning had they not elected to exercise the option of part-time employment, but shall retain all other rights and benefits, including the District's health, dental, life insurance programs, and any other District-approved benefits.
5. Leave of absence benefits shall be reduced by fifty percent (50%).
6. The part-time employment shall be the equivalent of one-half of each regular workday of service required by the manager's assignment during their final year of service in a full-time position (unless there was an atypical assignment during that year), or full-time service the first or second half of a year, provided that in the event the manager elects full-time service during the second half of the year, they shall be required to furnish a third-party surety bond at their own expense indemnifying the District for all benefits and retirement contributions paid by the District in the event they do not render paid service during the second half of the year.
7. Contributions to the State Teachers Retirement Systems and Public Employees Retirement System (if eligible) shall continue at the full-salary amount.

CHAPTER XVI - EARLY RETIREMENT

B. Early Retirement Incentive

Managers who have served a minimum of five (5) consecutive years of contract management service with the District and who are retiring from the District and separating from service by June 30, 2018, may choose to take a three (3) month pre-retirement leave immediately prior to their retirement date. Once a retirement date has been declared, the manager shall not change that date. During the pre-retirement leave, the manager shall be paid their current salary with full benefits and continue receiving STRS/PERS Service Credit. The manager must notify their immediate supervisor in writing of their intention to exercise this option six (6) months prior to their actual date of retirement. Entitlement to the leave is based in the expectation that the manager will be at work to provide transitional support to the District during the three (3) months prior to being on the three (3) month pre-retirement leave.

This provision will terminate at the close of business on December 20, 2017, and will no longer be available. Effective December 21, 2017, Section C, Retirement Notice Incentive, will be available to eligible Association members.

C. Retirement Notice Incentive

Effective, December 21, 2017, the following incentive will be granted to Management unit members for providing a timely advance written notice of their retirement date to their supervisor, and for meeting the expectation that the unit member will be at work to provide transitional support to the District during their final period of service as delineated below.

Unit members who have reached the age of fifty-five (55) and retire from the District and STRS or PERS, with at least five (5) years of service within the Management unit, and who provide at least ninety (90) days' written notice of intent to retire to the District, shall receive an additional cash payment equivalent to three (3) months of the unit member's monthly base pay, as listed in the salary schedule.

If a unit member has previously submitted a leave request, which was approved prior to submitting their retirement notice, such leave shall be reviewed by their supervisor **with the Cabinet member who has overall responsibility of the area/ department/ division/ campus** to confirm the approved time can still be taken or that it will now be disallowed.

During the final ninety (90) days of employment, time off for absences will be restricted to ensure the necessary transition of work responsibilities. Requests to be absent on any type of leave requiring pre-approval shall require the approval of the Cabinet member who has overall responsibility of the area/ department/ division/ campus in which the employee works.

CHAPTER XVI - EARLY RETIREMENT

In no event shall the combination of leaves or absences exceed a total of eighty (80) hours during the final ninety (90) days of service. Failure to maintain absenteeism below eighty (80) hours during the final ninety (90) days of service shall deem the unit member ineligible for the Retirement Notice Incentive cash payment.

CHAPTER XVII - MANAGER EVALUATIONS

- A. The joint District and Management Association goal is the development of Managers through evaluation and professional growth to enhance leadership.

The purpose of administrative evaluation shall be to assess managers' effectiveness, to encourage professional growth, and to make informed decisions regarding retention. The District is committed to the goal of strengthening management through professional development activities and evaluation of performance.

- B. Instruments

Any evaluation of managers will incorporate and utilize an instrument approved jointly by the District and the Management Association. (See Appendix 3 for Management Evaluation Form) Any other evaluation instrument introduced as an addendum or replacement shall be reviewed and agreed upon in the meet and confer process involving the District and representatives of the San Diego Community College Management Association. (See Appendix 4 for the description of the Management Feedback Survey Procedure and the Management Feedback Survey form.)

- C. Frequency

A comprehensive evaluation shall be completed following the frequency described below:

1. Annually during the first four (4) years of employment in the position.
2. Every three (3) years thereafter for managers not affected by provision 1.
3. An interim evaluation may be initiated at any time by the manager or by the manager's supervisor.

CHAPTER XVIII - DURATION

The provisions of this Handbook will remain in effect July 1, 2017 through June 30, 2020. The Management Unit and the District may each open a maximum of two (2) non-economic Chapters of the Handbook each year, unless additional sections are mutually agreed upon. All other Handbook provisions are continued each year.

APPENDIX 1

PROCEDURE

4200.7

October 14, 1998

ADMINISTRATIVE RETREAT RIGHTS

APPLICATION

1. Any student services or instructional services administrator hired after June 30, 1990, who did not have faculty tenure within the District prior to the hiring date as an administrator, may be reassigned to a first-year probationary faculty position provided that he or she meets all of the following:
 - a. The administrator has served at least two years or more within the District in one of the following areas: a faculty member, a student services administrator or an instructional services administrator.
 - b. The administrator is being dismissed due to the elimination of that position as a part of an administrative reorganization or as a part of a reduction in work force among administrators, that is for reasons other than dismissal for cause as determined by the Board of Trustees. However, if another administrative position of similar rank and responsibilities is open within the District for which the administrator has the minimum qualifications, he or she shall be assigned to that position prior to being assigned to a faculty position. In no case shall the District reassign an administrator to a faculty position if evidence exists that justifies dismissal for cause as determined by the Board of Trustees.
2. This policy does not apply to certificated administrators hired before June 30, 1990. Any certificated administrator who had tenure rights shall maintain that right, provided they meet the minimum qualifications of the faculty position to which they are being reassigned.

ASSIGNMENT

1. Administrators must declare Faculty Service Areas prior to February 15 of each year. Failure to declare a Faculty Service Area will result in non-reassignment.
2. Any administrator can be assigned to a discipline in which he or she has the minimum qualifications as specified by the Board of Trustees of the San Diego Community College District.
3. Criteria for Faculty Service Area of Reassignment:
 - a. A position at one college or location which has had sufficient assignments in the discipline or service area by adjunct faculty members to justify an additional faculty member.
