Disabled Students Program And Services (DSPS)

048 Effective Sentence Writing and Grammar
 2.00 hours lecture, .00 hours lab, 2.00 units

Credit/No Credit Only

REQUISITES: None

This course is designed for students who have verified disabilities related to effective sentence writing skills. It is intended to prepare students for a more successful entry into the mainstream basic skills English curriculum. Multisensory learning strategies are emphasized that assist in the recognition of acceptable sentence structures and appropriate grammar. Sentence writing instruction progresses from very simple to more complex structures.

FIELD TRIP REQUIREMENTS: Not required

Disabled Students Program And Services (DSPS)

049 Writing Structured Paragraphs
 2.00 hours lecture, .00 hours lab, 2.00 units

Credit/No Credit Only

REQUISITES: None

This course is designed for students who demonstrate difficulty with written language. It is intended to prepare students who have a writing related disability to more successfully meet the minimum college requirements for multi-paragraph essay writing. This course is unique for the highly structured and sequential strategies applied to essay writing. Additionally, the course emphasizes the application of assistive computer technology for facilitating organizational pre-writing strategies, document checking, and written language fluency.
