Subject: Health Information Management (HIMS) Discipline: Health Information Technology (The Commission on Accreditation for Health Informatics and Information Management Education Standard)

<p>*~460 Advanced Directed Clinical Placement 75 hours other, 1 unit Grade Only</p> <p>REQUISITES: <i>Co-requisite:</i> Health Information Management 455. <i>Limitation on Enrollment:</i> Must be admitted to the Health Information Management program. This course provides supervised onsite professional practice experience (PPE) for Health Information Management students. This course integrates theory and professional practice in health information management. Emphasis is placed on applying management theories to actual work settings, practice of professional behavior, ethics, and self reflection including career goals. Project topics will support a local HIM community of interest and will be designed by the student, instructor, and the PPE site manager. Note: This course may require student travel. To meet course requirements the student may be required to be available during normal business hours (i.e. 8:00 am to 5:00 pm) for site visits, conduction of professional interviews, and data gathering. This course is designed for Health Information Management majors.</p> <p>FIELD TRIP REQUIREMENTS: May be required</p>	<p>Offered At: Mesa</p> <p>Action(s) Proposed: New Course Approved</p> <p>Proposed for College(s): Mesa</p> <p>Originating Campus: MESA</p> <p>Effective: Fall 2016</p>
