

CURRICULUM and INSTRUCTIONAL SERVICES
DISTRICT ARTICULATION COUNCIL

12-07-16

DAC Minutes and Action Items

Attendees

Eric Anthony, Program Support Technician, Workforce and Economic Development

Shelly Hess, Dean of Curriculum Services, District Office

Elizabeth Norvell, City Articulation Officer

Mara Palma-Sanft, Miramar Articulation Officer

Michelle Radley, Curriculum Technician, District Office

Charlotta Robertson, *Acting* Mesa Articulation Officer

Old Business

1.

New Business

2. ASCCC Resolution: Mara Palma-Sanft

Mara requested clarification on the ASCCC resolution recently presented at the 2016 Fall Plenary Session:

“Resolved, That the Academic Senate for California Community Colleges collaborate with the California Community Colleges Chancellor’s Office to implement an approval process for Associate Degrees for Transfer in which courses pending C-ID approval may be included in the degree if the program application demonstrates evidence that those courses have been submitted to and are under review in the C-ID System (e.g., submitted, in progress, conditional and/or approved”

Shelly will follow up with the State Chancellor’s Office.

3. Private University Articulation Agreements/ADT alignment: Charlotta Robertson

Charlotta reported the Mesa VPI, VPSS, and Counselors met to discuss Private University Articulation Agreements and ADTs. Mesa has decided private universities requesting an articulation agreement with Mesa should align their requirements to the ADTs.

After discussion, Mara noted that oftentimes the private universities’ requirements look a lot different than ADTs with similar award names. However, Miramar may consider doing this (Mesa’s process above) as a first step in the articulation process is to request the private institutions review the ADTs and see if any of their requirements align with the ADTs.

4. CCCCCO certification: Mara Palma-Sanft

Mara requested clarification on the CCCO certification process; Shelly explained the CIO will certify the curriculum submitted to the State Chancellor's Office is in compliance with the PCAH and following hours and units in accordance to the Chancellor's Office course calculations. The certification will reduce the time it takes for programs to be approved since the State Chancellor's technicians won't have to spend as much time reviewing and approving courses. The CCCO certification is sent once a year in July; if the CIO does not submit the certification, the courses will have to go through the normal approval process.

5. New curriculum inventory: Shelly Hess

The office of Curriculum Services volunteered to be part of the pilot project for the new State Chancellor's Office curriculum inventory. Effective January 27 through February 17, the existing curriculum inventory will go dark and curriculum cannot be submitted during this three week period. Articulation Officers will share this information at their campuses.

6. Child Development: Eric Anthony

Eric will schedule a meeting between College and CE faculty to review the CE Child Development curriculum; articulation officers suggested scheduling the meeting early in January 2017.

Eric is working on renewing the credit by exam for BUSE 157 offered at City, Mesa and Miramar; City's recommendation is that BUSE 155 aligns better with the high school course but Mesa does not agree and Miramar has not reviewed the exam yet.

In addition, BUSE 277C is no longer offered; the San Diego Unified ROTC agreement will not be renewed.

Standing Items:

- a) Catalog Updates:
- b) C-ID
- c) New TMC degrees
- c) Inter-institutional agreements
- d) Tech Prep
