Agreement Management Updates

Access to Active Agreements and Approved Final Assessments

A new Teams folder has been created and access provided to all vice presidents, articulation officers, and deans tied to active agreements.

- Two channels – one for high school agreements and one for noncredit agreements
- Folders include active agreements and currently approved final assessments only
- We will maintain these folders and provide updates as needed

Renewals

All renewals for Mesa, City, Miramar and SDCCE have moved forward. All agreements have either been fully signed by the Colleges or are close to completion with the exception of two renewals:

- CHIL 176 (noncredit to credit)
    - City – Faculty confirmed they would like to be added back into the agreement
    - Mesa – Faculty confirmed approval for renewal
    - Miramar – Faculty in discussion
- FIPT 101 (high school to Miramar)
    - Faculty approved, but requested to meet with school site prior to signing renewal; school site visit scheduled

Amendments for Year Two of Active Agreements

Amendments for the CBTE active agreements listed below have been distributed. These agreements expire Summer 2023 and will be effective for fall 2022 through summer 2023.

- Noncredit to College – Business Information Worker Agreement (multi-college agreement) – change in college participation due to course deactivations prior to the expiration of the active agreement.
    - Mesa College has been removed from the agreement for the following courses; Miramar is the only college on the agreement for these four courses:
        - CBTE 120
        - CBTE 127
        - CBTE 152
        - CBTE 122
    - No change to the other CBTE courses included in the agreement (CBTE 140 and CBTE 101)

- Noncredit to College – There are New Front End Web Design (FEWD) Course numbers and Course names (SDCCE). The Noncredit course numbers and names changed (no change to course content, alignment, or approved final assessment).
  - **New noncredit FEWD Courses**
