Process Revisions

SDCCE Credit by Exam Process Updates – Updates to SDCCE’s internal processes are complete.

- Opt in model in effect (as of Fall 2022)
- Noncredit courses tied to active agreements identified within the online schedule
- Final assessment grades will be entered into campus solutions
- [Process changes summary](#)
- Addition information available on the [districtwide resource page](#)

Overall Course Grade Eligibility

In alignment with the SDUSD/SDCCD Joint Board Goals, the Vice Chancellor for Educational Services and Vice Presidents of Instruction at City, Mesa, and Miramar have approved a change to the overall course grade eligibility requirements for CTE Transitions high school to college and noncredit to college articulation credit by exam effective fall 2023.

- **Beginning Fall 2023, the overall course grade eligibility requirement for Articulation Credit by Exam will be a C- or higher**
 - This change does not impact any existing formal SDCCD Policy or Administrative Procedure nor does it impact the overall process of CTE Transitions Credit by Exam, agreements, or faculty activities tied to the

- agreements.
- Updating the overall course grade requirement to C- or higher will bring CTE Transitions Credit by Exam course grade eligibility into alignment with other districtwide course success metrics.
- This change will also align CTE Transitions course success with our high school partners' course success measures (C- or higher is both the SDCCD course success measure (across all four colleges) and K12's course success measure).
- **No change to course-to-course alignment** - CTE Transitions Articulation Credit by Exam will continue to require course-to-course alignment (no change). Alignment will continue to be confirmed by college faculty and confirmed via the signed agreement.
- **No change to End of Course Grade Eligibility** – End of Course (EOC) grade eligibility will remain unchanged. EOC grade eligibility requires the student to receive a B or higher on the college faculty approved final exam/assessment (no change).
- **No change to the grade that is transcribed** – the grade transcribed to the college transcript will remain the end of course (EOC) grade which will remain B or higher (no change).

Grade Eligibility Requirements	Current	Approved for Fall 2023	Notes
Overall course grade	B or higher	C- or higher	This grade does not appear on our college transcripts. Updating the requirement brings us into alignment with districtwide metrics/measures of course success and K12 measures of course success.
End of course grade	B or higher	No change	The end of course grade is the grade that is transcribed (no change)
