- CHILD 176 – SDCCE

Staff Changes

Our new program support tech will begin soon (stay tuned for formal announcement next week and introductions via email)

Final Exams and Signed Agreements *(no change from October update)*

The Career Education and Workforce Development Department will be establishing a Teams folder for signed agreements and approved final exams. Once developed, this folder will first be shared with the Vice Presidents of Instruction, Articulation Officers, and Curriculum Services.

Agreement Development *(no change from October update)*

Agreement development process now includes the formal curriculum steps for requesting that a course be eligible for credit by exam. This step is being integrated into our processes.

- **New Agreements For all new** - all faculty members engaged in new agreements will be reminded of the process
- **In-Progress Agreements** – there are a few agreements that have been in process since fall 2020; these courses will be added to the list for approval to administratively add to CurricUNET: GISG 104 (Mesa), CISC 150 (Mesa), MFET 101 (City), BUSE 100 (Miramar), AUTO 53G (Miramar)

Active Agreements by College and Related Resources *(no change from October update)*
