

CTE Transitions Credit by Exam DAC Update October 2022

Agreement Management Updates

New Agreements

There are two new agreements that are currently being routed for signature for academic years 22-24.

- Mesa – FASH 130 and FASH 130L: new agreement with Grossmont Adult Education Re-entry program for women that are currently in Los Colinas jail. Courses already part of existing agreements with multiple school sites.
- Miramar - AUTO 154G – re-activation of an old agreement between Miramar and SDUSD.

Renewals

We will begin credit college faculty outreach for renewals (all active agreements set to expire 2023). The following tables provide a summary of high school agreements up for renewal and noncredit (SDCCE) agreements up for renewal. There are ten agreement renewals for SDUSD and twenty-three agreement renewals for SDCCE. Prior to requesting credit college faculty to review the agreement(s) for renewal, we first check with the educational partner (high school or SDCCE) to see if there are any changes on their end or requests for changes – we then share this with the credit college faculty when we reach out. At this time, we do not anticipate any major changes to these agreements.

 - Fall 2022, credit college faculty confirmed course alignment, there were delays in confirming the final assessment; a revised assessment is being considered.
 - MATH 119 – (on hold)

- We have been told that the UC email was incorrect and a new formal email will be distributed clarifying that our high school and noncredit agreements for credit by exam are allowable
 - Mesa college waiting on recommendation from Articulation Officer(s)
 - Unclear whether Mesa will move forward with this agreement or not
- TBD / Architecture Courses – a pathway partnership meeting is being scheduled to increase credit college faculty awareness of SDUSD’s courses work within their architecture related pathways and to discuss possible opportunities for agreement development. Original meeting was scheduled for the end of September, but SDUSD had to cancel – meeting is being re-scheduled for the spring.
 - TBD/ Digital Marketing – faculty and SDUSD partners expressed interest in possibly exploring an agreement tied to digital marketing. In early stages of discussion.
