- 2.0 The information in this addendum section is primarily to address and clarify the requirements as stated within the RFP solicitation:

### **Clarification statement**

*The last three page counts of the pricing matrix on page 17 of the bid are incorrect. The actual page counts are 156, 164, and 172 respectively. The SDCCD endeavors to format page counts on an eight page signature and sometimes even on four pages. However, there will never be a publication submitted for press that is not divisible by at least four pages.*
