College and Career Access Pathways (CCAP) Program

Board of Trustees Meeting
June 13, 2019

2019-2020 CCAP PARTNERSHIPS

San Diego Unified School District (SDUSD)

Background

- AB 288 (Holden) authorized the College and Career Access Pathways (CCAP) Program

- Allowed community colleges to enter into partnership agreements with their public school district to offer college classes on the high school campuses

- Purpose of the CCAP Program is to serve students who may not already be college-bound or underrepresented in higher education to provide seamless pathways from high school to community college

- AB 288 authorized the following:
  - Classes on the high school campus can be closed to the public
  - All fees are waived regardless of the number of units
  - The school district must pay costs for all instructional materials
  - Classes cannot displace high school or college teachers/faculty

Charter Schools

Background

- The 2018-2019 Budget Trailer Bill authorized community colleges to enter into CCAP agreements with public Charter Schools to offer classes on the campus of a Charter School

- Purpose of the CCAP Program is to serve students who may not already be college-bound or underrepresented in higher education, creating seamless pathways from high school to community college

- Agreements with Charter Schools must meet the same requirements specified in AB 288, *College and Career Access Pathways Partnership*

  - Classes on the high school campus can be closed to the public
  - All fees are waived regardless of the number of units
  - The school district must pay costs for all instructional materials
  - Classes cannot displace high school teachers/faculty
