ADDING CLASSES (CRASHING)

Students may add classes online until the add deadline date published in the schedule of classes. Students will not be allowed to add classes beyond the published deadline.

To add a class once the semester has begun, students must obtain a permission number (add code) from the instructor, then must process and pay for the added class online or on campus at the Accounting Office.

Students are not officially enrolled until the permission number has been processed, the 3 step enrollment process in mySDCCD is completed, and the fees are paid in full. Permission number (add code) for Special-Admit part-time High School and Joint Diploma students must be processed in person in the college Admissions Office prior to the add deadline.

If an instructor finds that a student has given his or her their permission number to another student, the instructor should administratively drop the student who was not issued the permission number.

ADMINISTRATIVE DROP

Registration may be administratively cancelled for the following reasons:

1. Failure to pay all mandatory fees in accordance with the fee payment schedule;
2. Using an add code issued to another student;
3. Failure to meet the terms and conditions of a fee deferment;
4. Failure to meet academic or progress standards;
5. Denial of a "Petition to Challenge a Prerequisite"
6. Failure to meet a prerequisite or co-requisite requirement;
7. Enrolling in an online course while residing in a state not approved by the department of education.

ADMISSIONS REQUIREMENTS

Admission is open to anyone who meets one of the following criteria:

- Persons 18 years of age or older or emancipated minors who do not possess a high school diploma or equivalent may be admitted by the college under provisional admission status.
- High school students requesting concurrent enrollment may be admitted as "special part-time" students subject to the following criteria:
 - a. Students must have completed the 10th grade.
 - b. Students may enroll in fewer than 12 units and have their enrollment fees waived.
 - c. Students will be assessed ALL enrollment fees if enrolled in **more than 12 or more units** for classes taught on college campus.
 - d. All holds must be cleared prior to registration.

- e. High school students must satisfy course prerequisites and eligibility requirements.
 - f. Enrollment in Physical Education classes will not be permitted.

 - k. If the number of units of W, I and NP exceed 40%, in any semester or session, the student will be academically disqualified. Students whose grade point average falls below a 2.0, or who do not complete 60% of all units attempted, will not be permitted to re-enroll without approval from a college counselor.
- Persons who are under 18 years of age who do not have a high school diploma and are not enrolled in a high school may be admitted as a special full-time student pursuant to Education Code §48800.5 subject to approval of the high school governing board and the college president where the student is planning to attend. Special full-time students will be admitted under provisional admission status.
 - Persons who do not meet one of the admission criteria stated above will not be admitted under any circumstances.
 - In accordance with §76038 of the California Education Code, students seeking admission who have been previously expelled from a California community college within the past five years, or who are currently in the process of a formal expulsion hearing for any offense listed in *AP 3000.2, Student Admission Status*, 2.a.1-7, are required to inform the District. Admission eligibility shall be determined in accordance with *AP 3000.2, Student Admission Status*. <http://www.sdccd.edu/public/district/policies/>
 - All new students must file an application for admission. Students who have previously attended, but have not been in continuous attendance for one year must file a new application for admission.

ASSESSMENT

Assessment is a process that is designed to assist students in determining which English, math or English Language Acquisition (ELAC) courses they should start with, specifically identifying milestones (formerly known as skill levels) in these areas. Assessment also helps students in meeting course prerequisites. Students may also meet course prerequisites based on other factors such as English and Mathematics course completion or other standardized tests.

Assessment via College Application (CCCApply)

Students who have graduated from a U.S. high school within the last 10 years will receive placement levels in English and mathematics based upon high school performance information that is provided on the application for admission. Students will report cumulative, unweighted high school GPA, courses completed, and grades received in English and math courses.

Assessment via Placement Assistant

Students who have graduated from a U.S. high school more than 10 years ago, completed the GED, or HiSet exam are eligible for this assessment. The Placement Assistant will identify courses that students can enroll in using prior academic history. Students will report cumulative, unweighted high school GPA, courses completed, and grades received in English and math courses. Based on the information reported, students will receive an English and mathematics placement milestone.

Continuing Students who do not have placement levels should take the self-assessment in the placement assessments.

Students who graduated from a foreign high school should contact the Assessment Center for guidance.

English Language Acquisition (ELAC) (formally ESOL)

The ELAC exam is designed for students primarily educated outside of the U.S. in a language other than

English. This timed exam is designed to help non-native English speaking students select appropriate English classes. Students are encouraged to review sample test questions prior to taking this assessment.

Assessment results are available through mySDCCD at <http://my.sdccd.edu>. Once logged in, click on the College Student Dashboard tile. Then on the left side of the screen select My Academics>View Milestone/Skill Level.

These plans allow students to determine how long it will take to complete a program of study and to be sure that all program requirements can be met within a particular period of time. The student should review their education plan periodically with a counselor as goals or objectives change.

INTERSEGMENTAL GENERAL EDUCATION

TRANSFER CURRICULUM (IGETC) IGETC is a general education pattern that will fulfill all California State University (CSU) campuses and most University of California (UC) campuses/majors. It is also accepted by some private/independent or out-of-state universities. IGETC is usually recommended for students who intend to transfer to a UC campus, or who are not yet sure of where they plan to transfer. Go to <https://www.sdccd.edu/docs/IGETC.pdf> for more detailed information.

Interested in transferring your college credits?

www.assist.org is an online California student-transfer information system that shows how course credits earned at one public California community college or university can be applied when transferred to another. ASSIST is the official repository of articulation for California's public colleges and universities and provides the most accurate and up-to-date information about student transfer in California.

MESSAGES FOR STUDENTS

The college will not interrupt classroom instruction to deliver messages except in an extreme emergency.

MILITARY BASE CLASSES

Due to heightened security on military installations, a listing of all students attending classes on a military base must be provided to base officials for students to obtain entry onto the base. The list will be provided by the district and will include all students and their student ID numbers enrolled in classes on the base, regardless of their affiliation or non-affiliation with the military. For classes that meet at the San Diego Naval Base or Marine Corps Air Station Miramar or MCRD, non-affiliated civilian students are required to submit a Confidential Consent for Background Check form in order to clear access to the base. Interested students should go to

<https://www.sdccd.edu/students/veterans-active-duty/index.aspx#adcert>. Note that classes offered on military bases may be relocated at any time during the semester.

MY PLANNER

New to Campus Solutions, students now have access to My Planner, a tool to help you select classes from your education plan (academic requirements) and assign them to a specific term(s)/semester(s). IT IS THE STUDENT'S RESPONSIBILITY TO DROP BY THE PUBLISHED DEADLINES.

OFF-CAMPUS CLASSES

City, Mesa and Miramar Colleges offer classes at off-campus sites throughout the community using facilities such as public schools, churches, hospitals, and offices. PASS/NO PASS GRADING OPTIONS

There are courses in which Pass/No Pass grades are used exclusively; these are designated in the catalog course description by the statement "Pass/No Pass Only." In addition, there are courses which cannot be taken on a Pass/No Pass basis; these are designated in the course description by the statement "Letter Grade Only." Some courses may be taken for either "Pass/No Pass" or "Letter Grade."

Consistent with District policy, a student in good standing may elect to be graded on a Pass/No Pass basis in courses where there is an option. A grade of "Pass" (P) shall be awarded only for work which otherwise would have received a grade of "C" or better. Work that would have received a "D" or "F" will be graded "No Pass" (NP). The units earned will be counted in satisfaction of program requirements, but will be disregarded in determining a student's grade point average. No more than 12 units of a student's coursework completed in the San Diego Community College District graded on a Pass/No Pass basis will be used to meet Associate Degree requirements. Students who plan to transfer to a four-year institution should review the Pass/No Pass acceptance policy of the transfer institution prior to requesting this grade option.

Conditions:

1. Students may change from a 'Letter Grade' option to a 'Pass/No Pass' option during registration, or up until the published deadline to select a Pass/No Pass option for the course, go to the 'EDIT Class Enrollment Options' page on the mySDCCD portal. The deadline is listed in the class search details page when you click the calendar icon ('Important Deadlines'). After the Pass/No Pass Deadline, the 'Letter Grade' or 'Pass/No Pass' option may not be changed for that class.

2. No exceptions to this condition will be made. Petitions will not be accepted for exception to policy.
