

YOUR BENEFITS Benefit Summary

California - Non-Differential - OOA PPO
PPO - 250/80% Plan CPZ Modified

We know that when people know more about their health and health care, they can make better informed health care decisions. We want to help you understand more about your health care and the resources that are available to you.

- **myuhc.com**[®] – Take advantage of easy, time-saving online tools. You can check your eligibility, benefits, claims, claim payments, search for a doctor and hospital and much, much more.
- **24-hour nurse support** – A nurse is a phone call away and you have other health resources available 24-hours a day, 7 days a week to provide you with information that can help you make informed decisions. Just call the number on the back of your ID card.
- **Customer Care telephone support** – Need more help? Call a customer care professional using the toll-free number on the back of your ID card. Get answers to your benefit questions or receive help looking for a doctor or hospital.

PLAN HIGHLIGHTS

Types of Coverage	Benefits
Annual Deductible	
Individual Deductible	\$250 per year
Family Deductible	\$500 per year

> All individual Deductible amounts will count toward the family Deductible, but an individual will not have to pay more than the individual Deductible amount.

Out-of-Pocket Maximum	
Individual Out-of-Pocket Maximum	\$1,000 per year
Family Out-of-Pocket Maximum	\$2,000 per year
> The Out-of-Pocket Maximum includes the Annual Deductible.	
> All individual Out-of-Pocket Maximum amounts will count toward the family Out-of-Pocket Maximum, but an individual will not have to pay more than the individual Out-of-Pocket Maximum amount.	

Benefit Plan Coinsurance - The Amount We Pay	
80% after Deductible has been met.	

This Benefit Summary is intended only to highlight your Benefits and should not be relied upon to fully determine your coverage. If this Benefit Summary conflicts in any way with the Certificate of Coverage (COC), the COC shall prevail. It is recommended that you review your COC for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.

Prescription drug benefits are shown under separate cover.

Information on Benefit Limits

- > The Annual Deductible, Out-of-Pocket Maximum and Benefit limits are calculated on a calendar year basis.
- > All Benefits are reimbursed based on Eligible Expenses. For a definition of Eligible Expenses, please refer to your Certificate of Coverage.

MOST COMMONLY USED BENEFITS

Types of Coverage

Benefits

Physician's Office Services - Sickness and Injury

Primary Physician Office Visit	80% after Deductible has been met.
Specialist Physician Office Visit	80% after Deductible has been met.
	<i>Prior Authorization is required for Genetic Testing - BRCA.</i>

Preventive Care Services

Covered Health Services include but are not limited to:

Primary Physician Office Visit	100%, Copayments and Deductibles do not apply.
Specialist Physician Office Visit	100%, Copayments and Deductibles do not apply.
Lab, X-Ray or other preventive tests	100%, Copayments and Deductibles do not apply.

The health care reform law provides for coverage of certain preventive services, based on your age, gender and other health factors, with no cost-sharing. The preventive care services covered under this section are those preventive services specified in the health care reform law. UnitedHealthcare also covers other routine services as described in other areas of this summary, which may require a copayment, coinsurance or deductible. Always refer to your plan documents for your specific coverage.

Urgent Care Center Services

80% after Deductible has been met.

Emergency Health Services - Outpatient

80% after Deductible has been met.

Hospital - Inpatient Stay

80% after Deductible has been met.

Prior Authorization is required.

Types of Coverage

Benefits

Ambulance Service - Emergency and Non-Emergency

Ground Ambulance 80% after Deductible has been met.

Air Ambulance 80% after Deductible has been met.

Prior Authorization is required for non-Emergency Ambulance.

Congenital Heart Disease (CHD) Surgeries

80% after Deductible has been met.

Prior Authorization is required.

Dental Services - Accident Only

Benefits are limited as follows:
 \$3,000 maximum per year
 \$900 maximum per tooth

80% after Deductible has been met.

Prior Authorization is required.

Diabetes Services

Diabetes Self Management and Training
 Diabetic Eye Examinations/Foot Care

Depending upon where the Covered Health Service is provided, Benefits will be the same as those stated under each Covered Health Service category in this Benefit Summary.

Prior Authorization is required for Durable Medical Equipment in excess of \$1,000.

Durable Medical Equipment

Benefits are limited as follows:
 \$3,000 per year and are limited to a single purchase of a type of Durable Medical Equipment (including repair and replacement) every three years. This limit does not apply to wound vacuums.

80% after Deductible has been met.

Prior Authorization is required for Durable Medical Equipment in excess of \$1,000.

This benefit category contains services/devices that may be Essential or non-Essential Health Benefits as defined by the Patient Protection and Affordable Care Act depending upon the service or device delivered. A benefit review will take place once the dollar limit is exceeded. If the service/device is determined to be rehabilitative or habilitative in nature, it is an Essential Health Benefit and will be paid. If the benefit/device is determined to be non-essential, the maximum will have been met and the claim will not be paid.

Hearing Aids

Benefits are limited as follows:
 \$3,000 per year and are limited to a single purchase (including repair/replacement) per hearing impaired ear every three years.

80% after Deductible has been met.

Home Health Care

Benefits are limited as follows:
 100 visits per year

80% after Deductible has been met.

Prior Authorization is required.

Hospice Care

80% after Deductible has been met.

Prior Authorization is required for Inpatient Stay.

ADDITIONAL CORE BENEFITS

Types of Coverage	Benefits
Lab, X-Ray and Diagnostics - Outpatient	
For Preventive Lab, X-Ray and Diagnostics, refer to the Preventive Care Services category.	
Lab Testing - Outpatient	80% after Deductible has been met.
X-Ray and Other Diagnostic Testing - Outpatient	80% after Deductible has been met.
Lab, X-Ray and Major Diagnostics - CT, PET, MRI, MRA and Nuclear Medicine - Outpatient	
	80% after Deductible has been met.
Ostomy Supplies	
	80% after Deductible has been met.
Pharmaceutical Products - Outpatient	
This includes medications administered in an outpatient setting, in the Physician's Office, or in a Covered Person's home.	80% after Deductible has been met.

Mental Health Services	Inpatient: 80% after Deductible has been met. Outpatient: 80% after Deductible has been met. <i>Prior Authorization is required for certain services.</i>
Osteoporosis Services	Depending upon where the Covered Health Service is provided, Benefits will be the same as those stated under each Covered Health Service category in this Benefit Summary.
Phenylketonuria (PKU) Treatment	80% after Deductible has been met. <i>Prior Authorization is required.</i>

Types of Coverage**Benefits****Prosthetic Devices - Laryngectomy**

Depending upon where the Covered Health Service is provided, Benefits will be the same as those stated under each Covered Health Service category in this Benefit Summary.

Prior Authorization is required as described in your Schedule of Benefits.

Substance Use Disorder Services

Inpatient:

80% after Deductible has been met.

Outpatient:

80% after Deductible has been met.

Prior Authorization is required for certain services.

Telehealth Services

Depending upon where the Covered Health Service is provided, Benefits will be the same as those stated under each Covered Health Service category in this Benefit Summary.

Temporomandibular Joint (TMJ) Services

Benefits are limited as follows:

Covered Health Services are payable in the same manner as surgery for other medical conditions except that benefits for the treatment of TMJ are limited to \$3,000 per year.

Depending upon where the Covered Health Service is provided, Benefits will be the same as those stated under each Covered Health Service category in this Benefit Summary.

Prior Authorization is required for Inpatient Stay.

This Benefit Summary is intended only to highlight your Benefits and should not be relied upon to fully determine your coverage. If this Benefit Summary conflicts in any way with the Certificate of Coverage (COC), the COC shall prevail. It is recommended that you review your COC for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.

MEDICAL EXCLUSIONS

It is recommended that you review your COC for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.

Alternative Treatments

Acupressure; acupuncture; aromatherapy; hypnotism; massage therapy; rolfing; art therapy, music therapy, dance therapy, horseback therapy; and other forms of alternative treatment as defined by the National Center for Complementary and Alternative Medicine (NCCAM) of the National Institutes of Health. This exclusion does not apply to Manipulative Treatment and non-manipulative osteopathic care for which Benefits are provided as described in Section 1 of the COC.

Dental

Dental care (which includes dental X-rays, supplies and appliances and all associated expenses, including hospitalizations and anesthesia), except as described under Dental Anesthesia Services in Section 1 of the COC. This exclusion does not apply to accident-related dental services for which Benefits are provided as described under Dental Services - Accident Only in Section 1 of the COC. This exclusion does not apply to dental care (oral examination, X-rays, extractions and non-surgical elimination of oral infection) required for the direct treatment of a medical condition for which Benefits are available under the Policy, limited to: Transplant preparation; prior to initiation of immunosuppressive drugs; the direct treatment of acute traumatic Injury, cancer or cleft palate. Dental care that is required to treat the effects of a medical condition, but that is not necessary to directly treat the medical condition, is excluded. Examples include treatment of dental caries resulting from dry mouth after radiation treatment or as a result of medication. Endodontics, periodontal surgery and restorative treatment are excluded. Preventive care, diagnosis, treatment of or related to the teeth, jawbones or gums. Examples include: extraction, restoration and replacement of teeth; medical or surgical treatments of dental conditions. This exclusion does not apply to accidental-related dental services for which Benefits are provided as described under Dental Services - Accidental Only in Section 1 of the COC. Dental implants, bone grafts and other implant-related procedures. This exclusion does not apply to accident-related dental services for which Benefits are provided as described under Dental Services - Accident Only in Section 1 of the COC. Dental braces (orthodontics). Treatment of congenitally missing, malpositioned, or supernumerary teeth, even if part of a Congenital Anomaly.

Devices, Appliances and Prosthetics

Devices used specifically as safety items or to affect performance in sports-related activities. Orthotic appliances that straighten or re-shape a body part. Examples include foot orthotics and some types of braces, including over-the-counter orthotic braces. Cranial banding. The following items are excluded, even if prescribed by a Physician: blood pressure cuff/monitor; enuresis alarm; non-wearable external defibrillator; trusses and ultrasonic nebulizers. Devices and computers to assist in communication and speech except for prosthetic devices incident to a laryngectomy for which Benefits are provided as described under Prosthetic Devices - Laryngectomy in Section 1 of the COC and speech aid devices and tracheo-esophageal voice devices for which Benefits are provided as described under Durable Medical Equipment in Section 1 of the COC. Oral appliances for snoring. Repairs to prosthetic devices due to misuse, malicious damage or gross neglect. Replacement of prosthetic devices due to misuse, malicious damage or gross neglect or to replace lost or stolen items.

Drugs

Prescription drug products for outpatient use that are filled by a prescription order or refill. Self-injectable medications, except those needed to treat diabetes. This exclusion does not apply to medications which, due to their characteristics, must typically be administered or directly supervised by a qualified provider or licensed/certified health professional in an outpatient setting. Non-injectable medications given in a Physician's office. This exclusion does not apply to non-injectable medications that are required in an Emergency and consumed in the Physician's office. Over-the-counter drugs and treatments. Growth hormone therapy.

Experimental, Investigational or Unproven Services

Experimental or Investigational and Unproven Services and all services related to Experimental or Investigational and Unproven Services are excluded except Benefits provided for clinical trials for cancer and for Experimental or Investigational Services and Unproven Services as defined under Section 9: Defined Terms and except that coverage which is provided for an FDA-approved drug prescribed for a use that is different from the use for which the FDA approved it, when needed for treatment of a chronic and seriously debilitating or life-threatening condition. The drug must appear on the Formulary List, if applicable. The drug must be recognized for treatment of the condition for which the drug is being prescribed by any of the following: (1) the American Hospital Formulary Service's Drug Information; (2) one of the following compendia, if recognized by the federal Centers for Medicare and Medicaid Services as part of an anticancer chemotherapeutic regimen: Elsevier Gold Standard's Clinical Pharmacology, National Comprehensive Cancer Network Drug and Biologics Compendium, or Thomson Micromedex DrugDex; or (3) it is recommended by two clinical studies or review articles in major peer reviewed professional journals. However, there is no coverage for any drug that the FDA or a major peer reviewed medical journal has determined to be contraindicated for the specific treatment for which the drug has been prescribed. The fact that an Experimental or Investigational or Unproven Service, treatment, device or pharmacological regimen is the only available treatment for a particular condition will not result in Benefits if the procedure is considered to be Experimental or Investigational or Unproven in the treatment of that particular condition. This exclusion does not apply to Covered Health Services provided during a clinical trial for which Benefits are provided as described under Clinical Trials in Section 1 of the COC.

MEDICAL EXCLUSIONS CONTINUED

Foot Care

Routine foot care. Examples include the cutting or removal of corns and calluses. This exclusion does not apply to preventive foot care for Covered Persons with diabetes for which Benefits are provided as described under Diabetes Services in Section 1 of the COC. Nail trimming, cutting, or debriding. Hygienic and preventive maintenance foot care. Examples include: cleaning and soaking the feet; applying skin creams in order to maintain skin tone. This exclusion does not apply to preventive foot care for Covered Persons who are at risk of neurological or vascular disease arising from diseases such as diabetes. Treatment of flat feet. Treatment of subluxation of the foot. Shoes; shoe orthotics; shoe inserts and arch supports.

Medical Supplies

Prescribed or non-prescribed medical supplies and disposable supplies. Examples include: compression stockings, ace bandages, gauze and dressings, urinary catheters. This exclusion does not apply to:

- Prosthetic devices incident to a laryngectomy for which Benefits are provided as described under Prosthetic Devices - Laryngectomy in Section 1 of the COC.
- Disposable supplies necessary for the effective use of Durable Medical Equipment for which Benefits are provided as described under Durable Medical Equipment in Section 1 of the COC.
- Diabetic supplies for which Benefits are provided as described under Diabetes Treatment in Section 1 of COC.
- Ostomy supplies for which Benefits are provided as described under Ostomy Supplies in Section 1 of the COC.

Tubing and masks, except when used with Durable Medical Equipment as described under Durable Medical Equipment in Section 1 of the COC.

Mental Health

Services performed in connection with conditions not classified in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Mental Health Services as treatments for V-code conditions as listed within the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Mental Health Services as treatment for a primary diagnosis of insomnia and other sleep disorders, sexual dysfunction disorders, feeding disorders, neurological disorders and other disorders with a known physical basis. Treatments for the primary diagnoses of learning disabilities, conduct and impulse control disorders, personality disorders and paraphilias. This exclusion does not apply to conditions defined as Severe Mental Illness and Serious Emotional Disturbances in Section 9 of the COC. Educational/behavioral services that are focused solely on primarily building skills and capabilities in communication, social interaction and learning. This exclusion for behavioral services does not apply to conditions defined as Severe Mental Illness and Serious Emotional Disturbances in Section 9 of the COC. Tuition for or services that are school-based for children and adolescents under the Individuals with Disabilities Education Act. Learning, motor skills, and primary communication disorders as defined in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Services or supplies for the diagnosis or treatment of Mental Illness that are any of the following:

- Not consistent with generally accepted standards of medical practice for the treatment of such conditions.
- Determined to be an Experimental or Investigational Service.
- Not consistent with the Mental Health/Substance Use Disorder Designee's clinical protocols. These clinical protocols (as revised from time to time) are available to Covered Persons on www.myuhc.com or by calling Customer Care at the telephone number on your ID card.
- Not clinically appropriate for the patient's Mental Illness or condition based on generally accepted standards of medical practice and benchmarks.

Nutrition

Individual and group nutritional counseling. This exclusion does not apply to medical nutritional education services that are provided by appropriately licensed or registered health care professionals when both of the following are true:

- Nutritional education is required for a disease in which patient self-management is an important component of treatment.
- There exists a knowledge deficit regarding the disease which requires the intervention of a trained health professional.

Enteral feedings, even if the sole source of nutrition, except as described under Phenylketonuria (PKU) Treatment in Section 1 of the COC. Infant formula and donor breast milk. Nutritional or cosmetic therapy using high dose or mega quantities of vitamins, minerals or elements and other nutrition-based therapy. Examples include supplements, electrolytes, and foods of any kind (including high protein foods and low carbohydrate foods), except as described under Phenylketonuria (PKU) Treatment in Section 1 of the COC.

MEDICAL EXCLUSIONS CONTINUED

Personal Care, Comfort or Convenience

Television; telephone; beauty/barber service; guest service. Supplies, equipment and similar incidental services and supplies for personal comfort. Examples include: air conditioners, air purifiers and filters, dehumidifiers; batteries and battery chargers; breast pumps (This exclusion does not apply to breast pumps for which Benefits are provided under the Health Resources and Services Administration (HRSA) requirement); car seats; chairs, bath chairs, feeding chairs, toddler chairs, chair lifts, recliners; exercise equipment; home modifications such as elevators, handrails and ramps; hot tubs; humidifiers; Jacuzzis; mattresses; medical alert systems; motorized beds; music devices; personal computers, pillows; power-operated vehicles; radios; saunas; stair lifts and stair glides; strollers; safety equipment; treadmills; vehicle modifications such as van lifts; video players, whirlpools.

Physical Appearance

Cosmetic Procedures. See the definition in Section 9 of the COC. Examples include: pharmacological regimens, nutritional procedures or treatments. Scar or tattoo removal or revision procedures (such as salabrasion, chemosurgery and other such skin abrasion procedures). Skin abrasion procedures performed as a treatment for acne. Liposuction or removal of fat deposits considered undesirable, including fat accumulation under the male breast and nipple. Treatment for skin wrinkles or any treatment to improve the appearance of the skin. Treatment for spider veins. Hair removal or replacement by any means. Replacement of an existing breast implant if the earlier breast implant was performed as a Cosmetic Procedure. Note: Replacement of an existing breast implant is considered reconstructive if the initial breast implant followed mastectomy. See Reconstructive Procedures in Section 1 of the COC. Treatment of benign gynecomastia (abnormal breast enlargement in males). Physical conditioning programs such as athletic training, body-building, exercise, fitness, flexibility, and diversion or general motivation. Weight loss programs whether or not they are under medical supervision. Weight loss programs for medical reasons are also excluded. Wigs regardless of the reason for the hair loss.

Procedures and Treatments

Excision or elimination of hanging skin on any part of the body. Examples include plastic surgery procedures called abdominoplasty or abdominal panniculectomy, and brachioplasty. Medical and surgical treatment of excessive sweating (hyperhidrosis). Medical and surgical treatment for snoring, except when provided as a part of treatment for documented obstructive sleep apnea. Speech therapy except as required for treatment of a speech impediment or speech dysfunction that results from Injury, stroke, cancer, Congenital Anomaly or autism spectrum disorders. Outpatient cognitive rehabilitation therapy except as Medically Necessary following a post-traumatic brain Injury or cerebral vascular accident. Psychosurgery. Gender/sex reassignment surgery is not covered unless the same procedure is allowed in the treatment of another condition, not related to gender identity or gender dysphoria. This exclusion does not permit the denial of coverage if the health care services involved are otherwise available under the Policy, including but not limited to hormone therapy, hysterectomy, mastectomy, and vocal training. Also, this exclusion does not permit the denial of coverage for health care services available to a Covered Person of one sex due only to the fact that the Covered Person is enrolled as belonging to the other sex or has undergone, or is the process of undergoing, a gender transition. Physiological modalities and procedures that result in similar or redundant therapeutic effects when performed on the same body region during the same visit or office encounter. Biofeedback. The following services for the diagnosis and treatment of TMJ: surface electromyography; Doppler analysis; vibration analysis; computerized mandibular scan or jaw tracking; cranosacral therapy; orthodontics; occlusal adjustment; and dental restorations. Upper and lower jawbone surgery except as required for direct treatment of acute traumatic Injury, dislocation, tumors or cancer or as described in Temporomandibular Joint (TMJ) Services under Section 1 of the COC. Orthognathic surgery and jaw alignment, except as a treatment of obstructive sleep apnea. Surgical and non-surgical treatment of obesity. Stand-alone multi-disciplinary smoking cessation programs. These are programs that usually include health care providers specializing in smoking cessation and may include a psychologist, social worker or other licensed or certified professional. The programs usually include intensive psychological support, behavior modification techniques and medications to control cravings. Breast reduction surgery except as coverage is required by the Women's Health and Cancer Rights Act of 1998 for which Benefits are described under Reconstructive Procedures in Section 1 of the COC. In vitro fertilization regardless of the reason for treatment.

Providers

Services performed by a provider who is a family member by birth or marriage. Examples include a spouse, brother, sister, parent or child. This includes any service the provider may perform on himself or herself. Services performed by a provider with your same legal residence. Services provided at a free-standing or Hospital-based diagnostic facility without an order written by a Physician or other provider. Services which are self-directed to a free-standing or Hospital-based diagnostic facility. Services ordered by a Physician or other provider who is an employee or representative of a free-standing or Hospital-based diagnostic facility, when that Physician or other provider has not been actively involved in your medical care prior to ordering the service, or is not actively involved in your medical care after the service is received. This exclusion does not apply to mammography.

Reproduction

Health services and associated expenses for infertility treatments, including assisted reproductive technology, regardless of the reason for the treatment. This exclusion does not apply to services required to treat or correct underlying causes of infertility. Surrogate parenting, donor eggs, donor sperm and host uterus. Storage and retrieval of all reproductive materials. Examples include eggs, sperm, testicular tissue and ovarian tissue. The reversal of voluntary sterilization.

MEDICAL EXCLUSIONS CONTINUED

Services Provided under Another Plan

Health services for which other coverage is required by federal, state or local law to be purchased or provided through other arrangements. This includes, but is not limited to, coverage required by workers' compensation, no-fault auto insurance, or similar legislation. This exclusion does not apply to Enrolling Groups that are not required by law to purchase or provide, through other arrangements, workers' compensation insurance for employees, owners and/or partners. If coverage under workers' compensation or similar legislation is optional for you because you could elect it, or could have it elected for you, Benefits will not be paid for any Injury, Sickness, or Mental Illness that would have been covered under workers' compensation or similar legislation had that coverage been elected. Health services for treatment of military service-related disabilities, when you are legally entitled to other coverage and facilities are reasonably available to you. Health services while on active military duty.

Substance Use Disorders

Services performed in connection with conditions not classified in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Methadone treatment as maintenance, L.A.A.M. (1-Alpha-Acetyl-Methadol), Cyclazocine, or their equivalents. Educational/behavioral services that are focused solely on primarily building skills and capabilities in communication, social interaction and learning. This exclusion for behavioral services does not apply to conditions defined as Severe Mental Illness and Serious Emotional Disturbances in Section 9 of the COC. Services or supplies for the diagnosis or treatment of alcoholism or substance use disorders that are any of the following:

- Not consistent with generally accepted standards of medical practice for the treatment of such conditions.
- Determined to be an Experimental or Investigational Service.
- Not consistent with the Mental Health/Substance Use Disorder Designee's clinical protocols. These clinical protocols (as revised from time to time) are available to Covered Persons on www.myuhc.com or by calling Customer Care at the telephone number on your ID card.
- Not clinically appropriate for the patient's substance use disorder or condition based on generally accepted standards of medical practice and benchmarks.

Transplants

Health services for organ and tissue transplants, except those described under Transplantation Services in Section 1 of the COC. Health services connected with the removal of an organ or tissue from you for purposes of a transplant to another person. (Donor costs that are directly related to organ removal are payable for a transplant through the organ recipient's Benefits under the Policy.) Health services for transplants involving permanent mechanical or animal organs.

Travel

Health services provided in a foreign country, unless required as Emergency Health Services. Travel or transportation expenses, even though prescribed by a Physician. Some travel expenses related to Covered Health Services received from a Designated Facility or Designated Physician may be reimbursed. This exclusion does not apply to ambulance transportation for which Benefits are provided as described under Ambulance Services in Section 1 of the COC.

Types of Care

Multi-disciplinary pain management programs provided on an inpatient basis for acute pain or for exacerbation of chronic pain. Custodial care or maintenance care; domiciliary care. Private Duty Nursing. Respite care. This exclusion does not apply to respite care that is part of an integrated hospice care program of services provided to a terminally ill person by a licensed hospice care agency for which Benefits are provided as described under Hospice Care in Section 1 of the COC. Rest cures; services of personal care attendants. Work hardening (individualized treatment programs designed to return a person to work or to prepare a person for specific work).

Vision and Hearing

Purchase cost and fitting charge for eye glasses and contact lenses. Implantable lenses used only to correct a refractive error (such as Intacs corneal implants). Eye exercise or vision therapy. Surgery that is intended to allow you to see better without glasses or other vision correction. Examples include radial keratotomy, laser, and other refractive eye surgery.

Bone anchored hearing aids except when either of the following applies: For Covered Persons with craniofacial anomalies whose abnormal or absent ear canals preclude the use of a wearable hearing aid. For Covered Persons with hearing loss of sufficient severity that it would not be adequately remedied by a wearable hearing aid. More than one bone anchored hearing aid per Covered Person who meets the above coverage criteria during the entire period of time the Covered Person is enrolled under the Policy. Repairs and/or replacement for a bone anchored hearing aid for Covered Persons who meet the above coverage criteria, other than for malfunctions.

All Other Exclusions

Health services and supplies that do not meet the definition of a Covered Health Service - see the definition in Section 9 of the COC. Covered Health Services are those health services, including services, supplies, or Pharmaceutical Products, which are all of the following: Medically Necessary; described as a Covered Health Service in Section 1 of the COC and Schedule of Benefits; and not otherwise excluded in Section 2 of the COC. Physical, psychiatric or psychological exams, testing, vaccinations, immunizations or treatments that are otherwise covered under the Policy when: required solely for purposes of school, sports or camp, travel, career or employment, insurance, marriage or adoption; related to judicial or administrative proceedings or orders; conducted for purposes of medical research (This exclusion does not apply to Covered Health Services provided during a clinical trial for which Benefits are provided as described under Clinical Trials in Section 1 of the COC); required to obtain or maintain a license of any type. Health services received as a result of war or any act of war, whether declared or undeclared or caused during service in the armed forces of any country. This exclusion does not apply to Covered Persons who are civilians Injured or otherwise affected by war, any act of war, or terrorism in non-war zones. Health services received after the date your coverage under the Policy ends. This applies to all health services, even if the health service is required to treat a medical condition that arose before the date your coverage under the Policy ended. Health services for which you have no legal responsibility to pay, or for which a charge would not ordinarily be made in the absence of coverage under the Policy. In the event a non-Network provider waives Copayments, Coinsurance and/or any deductible for a particular health service, no Benefits are provided for the health service for which the Copayments, Coinsurance and/or deductible are waived. Charges in excess of Eligible Expenses or in excess of any specified limitation. Long term (more than 30 days) storage of body fluids, body tissues or body parts. Examples include cryopreservation of tissue, blood and blood products. Autopsy. Foreign language and sign language services. This exclusion does not apply to interpretive services available in UnitedHealthcare's language assistance program as required by California law. Health services related to a non-Covered Health Service: When a service is not a Covered Health Service, all services related to that non-Covered Health Service are also excluded. This exclusion does not apply to services we would otherwise determine to be Covered Health Services if they are to treat complications that arise from the non-Covered Health Service. For the purpose of this exclusion, a "complication" is an unexpected or unanticipated condition that is superimposed on an existing disease and that affects or modifies the prognosis of the original disease or condition. Examples of a "complication" are bleeding or infections, following a Cosmetic Procedure, that require hospitalization.
