---

### **DEFINITION**

Under the general direction of the Dean of Student Affairs or other assigned administrator, assists a Dean to coordinate, organize, and create special programs and major events to promote opportunities for students and to provide support for student organizations in order to achieve student learning outcomes and student success.

### **DISTINGUISHING CHARACTERISTICS**

This classification fills a support role in a campus Student Affairs function and incumbents typically provide general oversight and coordination of Student Affairs activities for a campus. The Student Services Supervisor-I supervises the full range of admission and records or other student services functions including veterans, attendance accounting and grade reporting within a campus.

### **EXAMPLE OF DUTIES**

1. Develop, coordinate, and assess special projects, major events, and activities in support of achievement of student learning outcomes. Coordinate project workflow, identify assignments, track progress, and ensure completion. Delegate tasks related to coordination of activities to other staff, students, collaborative partners and volunteers as appropriate.
2. Provide leadership for staff member assigned to the program area. May screen, interview, train, discipline, evaluate, and make hiring/termination recommendations regarding staff, as necessary.
3. Provide information to students and staff regarding campus organizations and the opportunities available from the department; make recommendations to the Dean regarding questions as referred by assigned staff.
4. Ensure compliance of campus organizations and students with District rules, policies, procedures, and laws governing department functions.
5. Review policies for consideration by the Dean of Student Affairs in relation to national, statewide and districtwide best practices in areas of department functions. Evaluate department policies and procedures, and make recommendations for program changes to best fit student learning outcomes. Work with the Dean to create, recommend, and submit forms, guidelines, and procedures to be used by the department.
6. Actively attend and participate in weekly and periodic departmental meetings of students and staff.
7. Develop and maintain effective communication and working relationships with administrators, staff, faculty, students, and community members within assigned and related projects. Collaborate with students, staff, faculty, and community members to work toward successful completion and assessment of the projects, events, and activities.
8. Perform clerical duties such as answering telephones and making calls, taking messages, scheduling appointments, writing correspondence, preparing reports, and maintaining records and files. Create and develop materials including brochures, newsletters, flyers, bulletins, and surveys to promote department functions. Operate a variety of office equipment including computers, telephones, fax machines, and duplicating machines.

9. Contact potential academic, student services, and community partners to identify and develop department activities and goals. Develop and maintain partnerships with programming partners, students, student government, and student organizations. Provide follow-up services.
10. Serve as a member of committees as assigned by Dean or other manager in support of the College's mission. Coordinate program and committee meetings of faculty, campus partners, students, and community members.
11. Develop, prepare and conduct workshops, orientations, and other presentations. Assist in the coordination of training programs. Conduct presentations and department functions.
12. Perform related duties as assigned.
