Section 87782

(a) An academic employee of a community college district who has been an employee of that district for a period of one school year or more shall have transferred with him or her to a second district the total amount of leave of absence for illness or injury to which he or she is entitled under Section 87781 in any of the following circumstances:

1. The person accepts an academic position in a school district or community college district at any time during the second or any succeeding school year of his or her employment with the first district.
2. The person, within the three school years succeeding the school year in which the employment in the first district is terminated, signifies acceptance of his or her election or employment in an academic position in another district.
3. The person, prior to the expiration of a period greater than three years during which the employee's reemployment rights are in effect under a local bargaining agreement in the first district, signifies acceptance of his or her election or employment in an academic position in another district.

(b) The board of governors shall adopt rules and regulations prescribing the manner in which the first district shall certify to the second district the total amount of leave of absence for illness or injury to be transferred. No governing board shall adopt any policy or rule, written or unwritten, that requires any employee transferring to its district to waive any part or all of the leave of absence that he or she may be entitled to have transferred in accordance with this section.

Section 87783

Any academic employee of a community college district who accepts a position requiring certification qualifications in the office of any county superintendent of schools; or, any certificated employee of any county superintendent of schools who accepts an academic position in a community college district or office of another county superintendent of schools; or, any person employed by the board of governors in a position requiring certification qualifications or an employee of the office of the Chancellor of the California Community Colleges who accepts an academic position in a community college district or a position requiring certification qualifications in the office of any county superintendent of schools; or, any certificated employee of the Commission for Teacher Preparation and Licensing who accepts an academic position in any community college district; shall have transferred with him or her to the second position his or her accumulated leave of absence for illness or injury. The amount of leave to be transferred shall be determined in the same manner as provided in Section 87782. All other provisions of Section 87782 shall also apply to the employees and employers described in this section.

Section 88202

Any classified employee of a community college district, school district, or county superintendent of schools who has been employed for a period of one calendar year or more whose employment is terminated for reasons other than action initiated by the employer for cause and who subsequently accepts employment with a community college district or county superintendent of schools within one year of the termination of his or her former employment, shall have transferred with him or her to the employing community college district or county superintendent of schools the total amount of earned leave of absence for illness or injury to which he or she is entitled under Section 45191 or 88191. This transfer shall be in the same manner as is provided for academic employees.

In any case where an employee was terminated as a result of action initiated by the employer for cause, the transfer may be made if agreed to by the governing board of the community college district or the county superintendent of schools newly employing the employee.

All or any part of the previous service, not separated by a break in service greater than one year as of the last day of paid service, may, if agreed to by the employing entity, be construed to have been served in the employing community college district or county superintendent of schools of employment for seniority purposes, except that the previous service may not be counted, for seniority purposes, when position or personnel reduction is ordered, for any reason, by the board.

No governing board of a community college district shall adopt any policy or rule, written or unwritten, that requires all classified employees, or any individual classification, or group of classifications of employees transferring to its district to waive any part or all benefits which they may be entitled to have transferred in accordance with this section.

This section shall apply to community college districts that have adopted the merit system in the same manner and effect as if it were a part of Article 3 (commencing with Section 88060) of this chapter.
