Chapter 2 - Board of Trustees

BP 2365 RECORDING

If the Board causes any tape or video recording of a meeting, the recording shall be subject to inspection by members of the public in accordance with the California Public Records Act, Government Code Sections 6250, et. seq. The Chancellor is directed to enact administrative procedures to ensure that any such recordings are maintained.

Such recordings as are made shall be considered unofficial public records of the proceedings of the Board designed primarily to assist in the preparation of the minutes, and may be erased or destroyed three calendar years after such recordings are made.

Persons attending an open and public meeting of the Board may, at their own expense, record the proceedings with an audio or video tape recording or a still or motion picture camera or may broadcast the proceedings. However, if the Board finds by a majority vote that the recording or broadcast cannot continue without noise, illumination, or obstruction of view that constitutes or would constitute a persistent disruption of the proceedings, any such person shall be directed by the President of the Board to stop.
