Q: When were W-2s for 2015 sent out? ([Back to main menu](#))

A: W-2 statements were mailed on January 22nd via regular USPS mail to employees' address on file as of 12/14/15. However, we cannot determine when they arrived, or when they would arrive, to individual employees.

Q: How do I get a duplicate W-2 statement? ([Back to main menu](#))

A: If you misplaced or did not receive your W-2 statement, you can access your W-2, as well as copies of your payroll statements, online by registering with WebAdvisor. You may request an additional copy by completing the 'Request for IRS Form W-2' form, which can be accessed online on the SDCCD website @ <http://hr.sdccd.edu/payroll/payrollforms.cfm>. The form with your original signature must be sent to the Payroll Department at the SDCCD. You may also request an additional copy by using the W-2 re-issue request feature in employee self-service in the Peoplesoft 9.2 online portal. We will then mail a copy of your W-2 to your address on file. We cannot fax a copy of your W-2 and you cannot have someone else pick it up for you. We cannot provide your W-2 information over the phone. You have the option of coming in to the Payroll Office in person to request a copy of your W-2. If so, the request form must still be completed and you must present proper ID.

Q: Can you fax me a copy of my W-2? ([Back to main menu](#))

A: No. Privacy legislation prohibits the faxing of confidential information of this nature to non-secure fax numbers. W-2 copies are sent from Payroll Office to the address designated by the employee.

Employees also can reprint W-2 forms online after registering for electronic W-2 access with WebAdvisor.

Q: Can you provide W-2 and paycheck figures over the phone? ([Back to main menu](#))

A: No. Due to the confidential nature of the information we cannot provide figures over the telephone.

Q: I never got my W-2 because I moved. How do I get a duplicate W-2 mailed to my new address? [\(Back to main menu\)](#)

A: If you have moved but have not yet notified us you need to complete the **'Address or Name Change Notice'** form, along with the **'Request for IRS Form W-2'** form. These forms can be accessed online on the SDCCD website @ <http://hr.sdccd.edu/payroll/payrollforms.cfm>. The forms with your original signatures must be sent to the Payroll Department at the SDCCD. We will update your employee file with your new address and mail a copy of your W-2.

You have the option of coming in to the Payroll Office in person to request a copy of your W-2 and update your address. If so, the required forms must still be completed and you must present proper ID.

You may also change your mailing addressing by updating your mailing address in employee self-service in the Peoplesoft 9.2 online portal.

Q: I worked in December. Why didn't I get a 2015 W-2? [\(Back to main menu\)](#)

A: For tax reporting purposes, wages are reported when they are paid, rather than when they are earned. Wages earned in December 2015, but paid in January 2016 will be reported on the W-2 for 2016.

Q: I didn't work last year. Why did I get a W-2? [\(Back to main menu\)](#)

A: For tax reporting purposes, wages are reported when they are paid, rather than when they are earned. Wages earned in December 2014, but paid in January 2015 will be reported on the W-2 for 2015. Also, the wages reported on the W-2 may be due to payouts of accrued leave that were made after the previous year ended.

Q: What if my address on my W-2 is incorrect? [\(Back to main menu\)](#)

A: Although address changes do not require a W-2 correction, if your address needs to be updated because you moved or was recorded incorrectly then you need to update it yourself through WebAdvisor or you can complete the **'Address or Name Change Notice'** form, which can be accessed online on the SDCCD website @ <http://hr.sdccd.edu/payroll/payrollforms.cfm>. The form with your original signature must be sent to the Payroll Department at the SDCCD. We will then update your address on file so that it is correctly reflected on your future checks and W-2. You may also change your mailing addressing by updating your mailing address in employee self-service in the Peoplesoft 9.2 online portal.

Q: My name changed and my new name is not reflected on my W-2. Do I need a new one? [\(Back to main menu\)](#)

A: Although name changes do not require a W-2 correction, if your name has changed you need to complete the **'Address or Name Change Notice'** form, which can be accessed online on the SDCCD website @ <http://hr.sdccd.edu/payroll/payrollforms.cfm>. The form with your original signature must be sent to the Payroll Department at the SDCCD. We will then update your address on file so that it is correctly reflected on your future checks and W-2. You may also use the name change feature in employee self-service in the Peoplesoft 9.2 online portal. All name changes are effective pending verification of documentation by human resources.

Q: The wages noted in box 1 of my W-2 does not match the amount I earned during the year. [\(Back to main menu\)](#)

A: The amount in box 1 reflects the portion of your compensation that is subject to taxes after taxable benefits (District-paid Group Term Life Insurance) are added to and tax-exempt deductions (such as 403(b), Flexible Spending Accounts, etc.) are subtracted from your gross pay.

Q: Why is the number in box 1 of my W-2 different from box 3 and box 5? [\(Back to main menu\)](#)

A: Some deductions are exempt from all taxes and reduce your overall subject wages. These include Flexible Spending Accounts and Dependent Care Spending Accounts. Other deductions are exempt only from federal and state withholding, such as contributions to 403(b) retirement plans.

Q: What is the SDCCD's FEIN (Federal Tax ID Number)? [\(Back to main menu\)](#) **A:** The SDCCD's FEIN is 95-2644299.

Q: How do I adjust my withholding for next year? [\(Back to main menu\)](#)

A: If you need to change your filing status you may do so by completing an IRS Form W-4 and, if in California, form DE-4. These forms can be accessed online on the SDCCD website @ <http://hr.sdccd.edu/payroll/payrollforms.cfm> . The forms with your original signatures must be sent to the Payroll Department at the SDCCD.

Q: How do I know what exemptions to claim? [\(Back to main menu\)](#)

A: Increasing the number of exemptions decreases the amount of withholding. Those with a Married status withhold at a lesser rate than those with a Single status. We cannot tell you how many exemptions to claim. You may want to consult a tax professional to determine the filing status and exemptions that is best for you.

Q: My federal income tax withheld in box 2 (or state in box 17) seems low (or is zero). Is this right? [\(Back to main menu\)](#)

A: The amount of income taxes withheld that is reported on your W-2 is the total that was deducted from all your checks paid during the year. The amount of taxes that is withheld from your checks depends on a number of factors, such as gross pay, filing status (married or single), number of allowances claimed, and types of deductions from your pay. If you believe the amount of taxes withheld from your checks is not correct, you may want to contact a professional tax advisor to determine what filing status is best for you. Everyone's situation is different and we cannot provide advice about your tax filing status. If you need to change your filing status you may do so by completing an IRS Form W-4 and, if in California, form DE-4. These forms can be accessed online on the SDCCD website @ <http://hr.sdccd.edu/payroll/payrollforms.cfm> . The forms with your original signatures must be sent to the Payroll Department at the SDCCD.
