BP 2610 PRESENTATION OF INITIAL COLLECTIVE BARGAINING PROPOSALS

The Chancellor is directed to enact administrative procedures that assure compliance with the requirements of Government Code Section 3547 regarding the presentation to the Board of initial proposals for collective bargaining.

Collective bargaining begins when either an exclusive representative or the District itself presents an initial proposal for consideration in accordance with the following timelines:

- (a) All initial proposals of exclusive representatives and of public school employers, which relate to matters within the scope of representation, shall be presented at a public meeting of the public school employer and thereafter shall be public records.
- (b) Meeting and negotiating shall not take place on any proposal until a reasonable time has elapsed after the submission of the proposal to enable the public to become informed and the public has the opportunity to express itself regarding the proposal at a meeting of the public school employer.
- (c) After the public has had the opportunity to express itself, the public school employer shall, at a meeting which is open to the public, adopt its initial proposal.
- (d) New subjects of meeting and negotiating arising after the presentation of initial proposals shall be made public within 24 hours. If a vote is taken on such subject by the public school employer, the vote thereon by each member voting shall also be made public within 24 hours.
