BP 8101 - GREEN CLEANING PLAN

POLICY

The San Diego Community College District is committed to providing cleaning that protects health without harming the environment at our campuses, centers and offices through the constant implementation and improvement of a Green Cleaning Plan. Green Cleaning strives to achieve a healthier and cleaner environment by identifying and using products and services that cause less toxic pollution and waste and conserve resources and habitats.

The Green Cleaning Plan will:

- 1) Minimize pollution and aid in achieving quality indoor air;
- 2) Comply with all current and relevant standards to assure environmentally responsible cleaning practices; and
- 3) Assure all District employees are aware of their responsibilities and compliance with the District's policy.
