Board Policy

Chapter 3 – General Institution

BP 3520 – LOCAL LAW ENFORCEMENT

The District, on behalf of each college or campus, shall enter into a written agreement with local law enforcement agencies. The agreement shall clarify operational responsibilities for investigations of Part I violent crimes, defined by law as willful homicide, forcible rape, robbery, and aggravated assault, occurring at each location.

The written agreement shall designate which law enforcement agency shall have operational responsibility for violent crimes and delineate the specific geographical boundaries of each agency's operational responsibility, including maps as necessary.

The written agreements required by this policy shall be public records and shall be made available for inspection by members of the public upon request.

The San Diego Community College District, and each college or campus, encourages accurate and prompt reporting of all crimes to the campus police and/or the appropriate police agencies. The Chancellor shall establish procedures that encourage professional counselors, if and when they deem it appropriate, to inform the persons they are counseling of any procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics. The San Diego Community College District does not have pastoral counselors.
