

SAN DIEGO COMMUNITY COLLEGE DISTRICT

Policy
4015

October 14, 1998

CONCERTED ACTIVITIES

CONDITION

Response to the community mandate and the prudent use of moneys taxed for that purpose demand continuity of District educational programs, activities, and support functions.

POLICY

Employees, employee organizations, or employee organization members, officers or agents who impair faithful performance of job function, including: strikes, work stoppage, slowdown other than informational, picketing, boycotting, or activities sympathetic to other organizations engaged in such activities and in so doing interfere with District continuity shall be subject to official disciplinary action.

The Chancellor shall take action as appropriate, including, but not limited to: withdrawal of rights, privileges or services, termination of employment, and/or such action as may be required to recover liquidated damages.

SUPERSEDES: July 1, 1976
