BP – 5130 FINANCIAL AID

1. FINANCIAL AID

A program of financial aid for students will be provided, which may include, but is not limited to scholarships, grants, loans, and employment programs. All financial aid programs will adhere to guidelines, procedures and standards issued by the funding agency, and will incorporate federal, state, and other applicable regulatory requirements.

The District shall establish, publicize, and apply satisfactory academic progress standards for participants in Title IV student aid programs, in accordance with federal regulations.

2. MISREPRESENTATION

Consistent with the applicable federal regulations for federal financial aid, the District shall not engage in “substantial misrepresentation” of 1) the nature of its educational program, 2) the nature of its financial charges, or 3) the employability of its graduates.

The Chancellor shall establish procedures for regular reviews of the District’s websites and other informational materials for accuracy and completeness and for training District employees and vendors to assure compliance with this policy.

The Chancellor shall establish procedures wherein the District shall periodically monitor employees’ and vendors’ communication with prospective students and members of the public, and take corrective action where needed.

This policy does not create a private cause of action against the District or any of its representatives or service providers. The District and its Board of Trustees do not waive any defenses or governmental immunities by enacting this policy.

3. FINANCIAL AID VERIFICATION

Financial aid applicants shall provide verification documents specified by law if the Secretary of Education selects the applicant for verification. Applicants not selected by the Secretary of Education for verification will be required by the Financial Aid Office to verify any information on the application which appears illogical, incorrect, or inconsistent. Financial Aid grant and loan funds will be disbursed only after required verification is completed. The college reserves the right to verify any information at any time to assure compliance with federal regulation.
