

SAN DIEGO COMMUNITY COLLEGE DISTRICT

Administrative Procedure

Chapter 5 – Student Services

AP 5210 – COMMUNICABLE DISEASE

The District recognizes that response protocols for communicable diseases will vary according to the nature and type of pathogen, known modes of transmission, best practices for prevention, and established treatments.

In the event of the identification of a reportable communicable disease, appropriate District officials will coordinate required responses at District-owned or operated facilities and with Department of Health officials in accordance with established District protocols.
