

SDCCD High School Pipeline

SDUSD Seniors, and those who enroll at City, Mesa, and/or Miramar College within 1 year of graduation

Entrants are students who enroll at City, Mesa, or Miramar Colleges in the year following high school graduation.

Entrants are counted once per college at which they enroll in their first year of college, and once in the Total row. The sum of the college rows exceeds the Total row because students enroll at more than one college. The larger the difference between the sum of the college rows and the Total row, the more students enrolled at multiple colleges.

The Entrant Rate is the percent of seniors from that high school that enrolled at the indicated college. Sites with relatively high entrant rates are indicated with green cell highlights, and sites with low rates are indicated with red cell highlights.
