High School Course	High School Teacher Name	Year Course Was Taken	College Course Number	College Course Name	College	# of Units

If approved, courses may be used to meet an associate degree or certificate requirements (and in some instances, university credit) and/or advancement to the next level of classes for which the course serves as a prerequisite. Meet with a college counselor to develop a detailed education plan.

Student requirements in order to be awarded SDCCD college credit:
- Earn a grade of 'A' or 'B' in his/her CTE Transitions approved class and on the final exam. Successfully complete the CTE Transitions certification process.
- Successfully complete an SDCCD college application online no later than 18 months following high school graduation.
- Submit petition and official high school transcript to CTE Transitions Office
  For more information, visit http://techprep.sdccd.edu or call (619) 388-6572.
  Address: *3375 Camino Del Rio South, Suite 125, San Diego, CA 92108*

I understand that the college units and grades earned will be posted to my permanent academic transcript and will be calculated in my college grade point average and cumulative units.

Student Signature _____Date _____

If under 18 years of age, please also read and obtain signature below.
I grant permission for my son/daughter to receive college credit from the San Diego Community College District (SDCCD). I understand that the college credit earned will be posted to his/her SDCCD permanent academic transcript and will be calculated in his/her college grade point average and cumulative units.
