

**Grant and Contract Activity for the District
Fiscal Year 2009-2010**

City	Mesa	Miramar	Continuing Education	District-wide*	Total
2,778,047	1,999,305	1,935,567	3,006,022	5,388,905	15,107,846

Please note that there is some variation in the methodology used to calculate these numbers. Some multi-year grants were pro-rated, while for others we reflected the full amount in this fiscal year. In subsequent years, a more accurate measure will be used across all campuses to ensure a more accurate accounting of grant dollars.

*These figures reflect funding coordinated thru the District and dispersed across campuses and programs.
