

# Associate in Science in Biology for Transfer Degree

The Associate in Science in Biology for Transfer is intended for students who plan to complete a bachelor's degree in Biology or a related major in the California State University (CSU) system. It is accepted by some, but not all, CSU campuses. Students who complete this degree and transfer to a participating CSU campus will be required to complete no more than 60 units after transfer to earn a bachelor's degree. It may not be appropriate preparation for students transferring to a CSU campus that does not accept the degree.

**Note:** Students who plan to complete this degree should consult a counselor and visit [www.assist.org](http://www.assist.org) for additional information about participating CSU campuses as well as university admission, degree and transfer requirements.

**Note:** Students who may wish to apply for transfer to the University of California are strongly urged to complete the Intersegmental General Education Transfer Curriculum (IGETC) pattern.

## **Award Notes:**

Students are required to complete 60 semester or 90 quarter CSU transferable units, with a minimum overall grade point average of 2.0, to include the following:

## **Major:**

- A minimum of 18 semester or 27 quarter units.
- A minimum grade of "C" or better for each course required in the major.

**General Education:** Complete one of the following general education options:

- The California State University General Education Breadth (CSUGE-B) pattern.
- The Intersegmental General Education Transfer Curriculum (IGETC) pattern.

Electives, as needed, to meet the 60 semester or 90 quarter CSU transferable units required for the degree.

**Note:** Completion of the California State University American Institutions graduation requirement is strongly recommended prior to transfer.
