

Associate in Science in Business Administration 2.0 for Transfer Degree

The Associate in Science in Business Administration 2.0 for Transfer degree is intended for students who plan to complete a bachelor's degree in Business Administration or a related major in the California State University (CSU) system. Students who complete this degree and transfer to a participating CSU campus will be required to complete no more than 60 units after transfer to earn a bachelor's degree. It may not be appropriate preparation for students transferring to a CSU campus that does not accept the degree.

Miramar College offers two very similar Business Administration for Transfer degrees - the original Business Administration for Transfer AS-T and the Business Administration for Transfer 2.0 AS-T. Each version of the degree may provide different admission priority statuses for different CSU campuses and majors. Therefore, students who intend to transfer to a CSU campus should consult a counselor for additional information about CSU admission priorities, and transfer requirements, and to identify and select the best degree option.

The following is required for all AA-T or AS-T degrees:

- Completion of 60 CSU-transferable semester units. No more than 60 units are required.
- Minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some CSU campuses and majors may require a higher GPA. Please see a counselor for more information.
- Completion of a minimum of 18 semester units in an "AA-T" or "AS-T" major (see list above). All courses in the major must be completed with a grade of C or better.
- Certified completion of the California State University General Education-Breadth pattern (CSU GE; see page 124 for more information); OR the Intersegmental General Education Transfer Curriculum pattern (IGETC; see page 116 for more information).

Courses Required for the Major:		Units
BUSE 119	Business Communications	3
BUSE 140	Business Law and the Legal Environment	3
ACCT 116A	Financial Accounting	4
ACCT 116B	Managerial Accounting	4
ECON 120	Principles of Macroeconomics	3
ECON 121	Principles of Microeconomics	3

Select one of the following statistics courses:

BUSE 115	Statistics for Business	3
MATH 119	Elementary Statistics	3

Select one of the following calculus courses:

MATH 121	Basic Techniques of Applied Calculus I	3
MATH 150	Calculus with Analytic Geometry I	5

Total Units = 26-28

Recommended electives: Computer and Information Sciences 181.

Note: CISC 181 is an additional major preparation course for many CSU campuses.

Electives as needed to meet maximum of 60 CSU-transferable units required for the degree.
