Accounting (ACCT)

Action-Approved

<p>120 Federal Income Tax</p> <p align="right">3.00 hours lecture, .00 hours lab, 3.00 units Grade Only</p> <p>REQUISITES: Advisory: Completion of or concurrent enrollment in ACCT 116A with a grade of "C" or better, or equivalent. This course introduces the student to tax concepts and tax laws that govern individuals who pay federal income taxes. Emphasis is placed on recognizing the social, economic, and political factors that Congress considers when they create tax laws. This course relates tax codes to the individual and identifies how tax planning skills can determine economic outcomes. Furthermore, it demonstrates and differentiates between tax avoidance and tax evasion.</p> <p>FIELD TRIP REQUIREMENTS: May be required</p> <p>TRANSFER APPLICABILITY: Associate Degree Credit & transfer to CSU and/or private colleges and universities.</p> <p>CAN DATA: None</p>	<p>Offered At: City, Mesa, Miramar</p> <p>Action(s) Proposed: Course Integration (Activation included) <i>Approved</i></p> <p>Proposal Actions: Field trip, Course objectives, Change Advisory, Outline of Topics, Reading assignments, Writing assignments, Outside assignments, Critical thinking assignments, Method of Evaluation, Method of Instruction, Texts/Supplies, Course Description</p> <p>Proposed For College(s): Mesa, Miramar, City</p> <p>Dist. Ed Proposed For College(s): Miramar <i>Approved</i></p> <p>Originating Campus: Miramar</p> <p>Effective: Summer 2005</p>

Accounting (ACCT)

<p>150 Computer Accounting Applications</p> <p align="right">3.00 hours lecture, .00 hours lab, 3.00 units Grade Only</p> <p>REQUISITES: Advisory: Completion of or concurrent enrollment in ACCT 116A with a grade of "C" or better, or equivalent. This course illustrates to the student how to use accounting computer programs in a commercial business enterprise. As a basis for instruction, it demonstrates the use of QuickBooks Pro accounting software on a PC. The full accounting cycle and payroll is evaluated within a typical business environment. Business transactions are identified, labeled, recorded, and processed for both service and merchandise businesses. Financial statements are constructed, evaluated, and reviewed for accuracy and completeness. The main objective is to provide the student with a complete guide to creating and maintaining a proper accounting system while using a popular accounting software program.</p> <p>FIELD TRIP REQUIREMENTS: May be required</p> <p>TRANSFER APPLICABILITY: Associate Degree Credit & transfer to CSU and/or</p>	<p>Offered At: City, Mesa, Miramar</p> <p>Action(s) Proposed: Course Integration (Activation included) <i>Approved</i></p> <p>Proposal Actions Course objectives, Change Advisory, Outline of Topics, Reading assignments, Writing assignments, Outside assignments, Critical thinking assignments, Method of Evaluation, Method of Instruction, Texts/Supplies, Course Description</p> <p>Proposed For College(s): Mesa,</p>

------------------------------	---

Child Development (CHIL)

<p>210 Supervision of Early Childhood Programs 3.00 hours lecture, .00 hours lab, 3.00 units Grade Only</p> <p>REQUISITES: Prerequisite: CHIL 101 & CHIL 141 and CHIL 111 or CHIL 121 or CHIL 131 or CHIL 151, each with a grade of "C" or better, or equivalent. This course examines early childhood supervisory techniques with emphasis on educational philosophy, professional growth, in-service staff training, program and staff evaluation, models of parent education and involvement, and supportive services. It partially fulfills the State of California Child Development Permit Matrix requirement for supervisors and directors and also meets the State of California Title 22 licensing regulations for directors. This course is designed for students who intend to go into supervisory positions in early childhood education. It also introduces students to the tools that help them organize and evaluate a quality children's program.</p> <p>FIELD TRIP REQUIREMENTS: May be required</p> <p>TRANSFER APPLICABILITY: Associate Degree Credit & transfer to CSU and/or private colleges and universities.</p> <p>CAN DATA: None</p>	<p>Offered At: City, Mesa, Miramar</p> <p>Action(s) Proposed: Course Integration (Activation included) <i>Deferred to 12/9/04 CIC Meeting</i></p> <p>Proposal Actions: Course objectives, Change Prerequisite, Remove Limitation on Enrollment, Outline of Topics, Reading assignments, Writing assignments, Outside assignments, Critical thinking assignments, Method of Evaluation, Method of Instruction, Texts/Supplies, Course Description</p> <p>Proposed For College(s): Mesa, Miramar, City</p> <p>Originating Campus: Mesa</p> <p>Effective: Fall 2005</p>

Fire Protection Technology (FIPT)

<p>104 Building Construction for Fire Protection 3.00 hours lecture, .00 hours lab, 3.00 units Grade Only</p> <p>REQUISITES: Advisory: ENGL 051 and ENGL 056 with a grade of "C" or better, or equivalent, or W5/R5. Students learn about building-construction components that relate to fire safety. They learn how construction and structure design are key factors when inspecting buildings, pre-planning fire operations, and operating at fires. Topics include how the development and evolution of building and fire codes relate to past fires in residential, commercial, and industrial occupancies.</p> <p>FIELD TRIP REQUIREMENTS: May be required</p> <p>TRANSFER APPLICABILITY: Associate Degree Credit & transfer to CSU and/or private colleges and universities.</p> <p>CAN DATA: None</p>	<p>Offered At: Miramar</p> <p>Action(s) Proposed: Course Integration (Activation included) <i>Approved</i></p> <p>Proposal Actions: Course objectives, New Advisory, Outline of Topics, Reading assignments, Writing assignments, Outside assignments, Critical thinking assignments, Method of Evaluation, Method of Instruction, Texts/Supplies, Course Description</p> <p>Proposed For College(s): Miramar</p>

Originating Campus: Miramar

Effective: Spring 2005

Fire Protection Technology (FIPT)

105 Fire Behavior and Combustion

3.00 hours lecture, .00 hours lab, 3.00 units
Grade Only

REQUISITES:

Advisory: ENGL 051 and ENGL 056 with a grade of "C" or better, or equivalent, or W5/R5.

Limitation on Enrollment: This course is not open to students with previous credit for FIRE 104.

This course introduces students to the theory and fundamentals of fire behavior including how fires start, how and why they spread, and how they are controlled. The course emphasizes fire chemistry and physics, fire characteristics of materials, extinguishing agents, and fire control techniques.

FIELD TRIP REQUIREMENTS: May be required

TRANSFER APPLICABILITY: Associate Degree Credit & transfer to CSU and/or private colleges and universities.

CAN DATA: None

Offered At: Miramar

Action(s) Proposed: Course Integration (Activation included)
Approved

Fire Protection Technology (FIPT)

107 Fire Fighting Tactics and Strategy

3.00 hours lecture, .00 hours lab, 3.00 units
Grade Only

REQUISITES:

Advisory: ENGL 051 and ENGL 056 with a grade of "C" or better, or equivalent, or W5/R5.

Limitation on Enrollment: This course is not open to students with previous credit for FIRE 155.

This course provides an in-depth analysis of the principles of fire control through utilization of personnel, equipment, pre-planning fire problems, and extinguishing agents on the fire ground. Topics include a review of fire chemistry, methods of fire attack, and basic fire fighting tactics and strategy.

FIELD TRIP REQUIREMENTS: May be required

TRANSFER APPLICABILITY: Associate Degree Credit & transfer to CSU and/or private colleges and universities.

CAN DATA: None

Offered At: Miramar

Fire Protection Technology (FIPT)

<p>109 Fire Service Hydraulics</p> <p align="right">3.00 hours lecture, .00 hours lab, 3.00 units Grade Only</p> <p>REQUISITES: Advisory: ENGL 051 and ENGL 056 and MATH 032, each with a grade of "C" or better, or equivalent, or W5/R5/M20. Limitation on Enrollment: This course is not open to students with previous credit for FIRE 151. This course introduces students to hydraulics laws and formulas as they relate to fire service. Students perform calculations to assure adequate water pressures and volumes at fire department operations. The course also emphasizes principles of fluid pressure, fire pump operation and design, hose line construction and capability, and community water supply capabilities.</p> <p>FIELD TRIP REQUIREMENTS: May be required</p> <p>TRANSFER APPLICABILITY: Associate Degree Credit & transfer to CSU and/or private colleges and universities.</p> <p>CAN DATA: None</p>	<p>Offered At: Miramar</p> <p>Action(s) Proposed: Course Integration (Activation included) <i>Approved</i></p> <p>Proposal Actions: Course objectives, New Advisory, Outline of Topics, Reading assignments, Writing assignments, Outside assignments, Critical thinking assignments, Method of Evaluation, Method of Instruction, Texts/Supplies, Course Description</p> <p>Proposed For College(s): Miramar</p> <p>Originating Campus: Miramar</p> <p>Effective: Spring 2005</p>

Fire Protection Technology (FIPT)

<p>138 Recertification Course for State Fire Marshal EMT-1</p> <p align="right">14 hours lecture (total), 18.00 hours lab (total), 1.00 units Grade Only</p> <p>REQUISITES: Prerequisite: EMGM 105 or FIPT 130, each with a grade of "C" or better, or equivalent. Advisory: ENGL 051 and ENGL 056 with a grade of "C" or better, or equivalent, or W5/R5. Limitation on Enrollment: This course is not open to students with previous credit for FIRE 138 or 238; Health and Safety. Students must possess a current Basic Life Support (BLS) card for Healthcare Provider. This 32-hour non-associate degree course provides State Fire Marshals a review of didactic knowledge and practical skills required for Emergency Medical Technician-1 recertification (in compliance with State of California regulations). The course includes a review of current San Diego Emergency Medical Service (EMS) treatment guidelines, anatomy, patient assessment, recognition and treatment of life threatening emergencies, emergency childbirth, behavioral emergencies, ambulance operations, triage, and disaster scene management and environmental emergencies. Upon successful completion, students are eligible to take the San Diego County EMS Re-certification Examination. This course may be repeated as necessary to meet a legally mandated training requirement as a condition of continued employment.</p>	<p>Offered At: Miramar</p> <p>Action(s) Proposed: Course Integration (Activation included) <i>Approved</i></p> <p>Proposal Actions: Course objectives, New Advisory, Change Limitation on Enrollment, Outline of Topics, Reading assignments, Writing assignments, Outside assignments, Critical thinking assignments, Method of Evaluation, Method of Instruction, Texts/Supplies, Course Description</p> <p>Proposed For College(s): Miramar</p>
