Art-Fine Art (ARTF) Discipline:  Art

### 205A New Genres: Art in the Twenty-First Century
32 - 36 hours lecture, 64 - 72 hours lab, 3 units
Letter Grade or Pass/No Pass Option

**REQUISITES:**
*Advisory:* Art-Fine Art 150A with a grade of "C" or better, or equivalent.
This course is an introduction to concept-based New Genres art practices.
Emphasis is placed on the intersection of form/medium and concept as well as on
the role of art in contemporary culture. Students develop concepts based on issues
related to social commentary, political action, institutional critique, community
involvement and personal identity and experiment with forms, such as installation,
performance, technological, hybrid and emerging art forms. This course is
designed for art majors and anyone interested in contemporary art practices.

**FIELD TRIP REQUIREMENTS:** May be required

**TRANSFER APPLICABILITY:** Associate Degree Credit & transfer to CSU
and/or private colleges and universities.

---

Art-Fine Art (ARTF) Discipline:  Art

### 210C Life Drawing III
32 - 36 hours lecture, 64 - 72 hours lab, 3 units
Letter Grade or Pass/No Pass Option

**REQUISITES:**
*Prerequisite:* Art-Fine Art 210B with a grade of "C" or better, or equivalent.
This is an advanced course in drawing the human form as a sequence of studies
from live models. Students work closely with the instructor to develop, create and
present original artwork. This course is designed for students who are majoring in
fine art.

**FIELD TRIP REQUIREMENTS:** May be required

**TRANSFER APPLICABILITY:** Associate Degree Credit & transfer to CSU
and/or private colleges and universities. UC Transfer Course List.

### REQUISITES:

**Advisory:** Computer Business Technology 101 and Computer Business Technology 175, each with a grade of "C" or better, or equivalent; English 101 with a grade of "C" or better, or equivalent or Assessment Skill Level R6 and W6.

**Advisory:** Completion of or concurrent enrollment in: Multimedia 121 and Multimedia 122, each with a grade of "C" or better, or equivalent.

This course provides students with advanced skills that are necessary to create documents that are pre-press ready and published to the web. Students create sophisticated documents by combining text, images, charts, and tables and by applying typography and design principles to their layouts. Advanced topics include managing long documents, advanced typesetting functions, managing output to print, creating HyperText Markup Language (HTML) documents, and interactive presentations. Students prepare and format documents in e-publishing formats, and upload documents to an online store or website. This course is designed for anyone interested in advanced digital publishing, include those interested in self-publishing. This course may be repeated three times to update skills as digital publishing software and technologies change.

| 43 English Review | 48 - 54 hours lecture, 3 units  
**Letter Grade or Pass/No Pass Option**  
**REQUISITES:**  
**Advisory:** Assessment Skill Level W3 or English 42 with a grade of "C" or better, or equivalent or Assessment Skill Level R4. This course is designed for native speakers of English. ESL students should enroll in ESOL 19, 20, 21, 22, 30, 31, 32, or 40 as recommended by the placement test for non-native English speakers.  
**Limitation on Enrollment:** This course is not open to students with previous credit for English 50.  
This course is designed for students who need review of and practice with writing unified paragraphs and purposeful basic compositions. In this course students develop knowledge of the writing process as well as knowledge of grammatical structures to compose clear and complete sentences, paragraphs, and basic compositions (which may include short essays). Students also read texts as the basis for writing and develop critical thinking skills necessary for success in college courses.  
**FIELD TRIP REQUIREMENTS:** May be required

Letter Grade or Pass/No Pass Option

REQUISITES:

Advisory: English 101 with a grade of "C" or better, or equivalent or Assessment Skill Levels R6 and W6.

This course examines selected musical traditions of the world through critical listening to music, cultural awareness, and political and ethical issues as related to culture and music. Basic musical concepts are introduced to assist students in describing and communicating the experience of listening to music. Students explore how music is an activity with social, political, and artistic functions. These analytical tools help students define their own identity through musical and cultural practices. In addition, this course examines how music is used, how meaning is created, and how music helps to define community. This course is intended for all students interested in music and culture.

### *~ 128 Biofeedback and Stress Management*

| 48 - 54 hours lecture, 3 units | Letter Grade or Pass/No Pass Option |

**REQUISITES:**
English 48 and English 49, each with a grade of "C" or better, or equivalent or Assessment Skill Levels R5 and W5.

This course explores Biofeedback as a theoretical and practical discipline that uses physiological monitors to increase awareness and control of normally subconscious glandular and muscular responses for the purpose of increasing physical and psychological health. The course is open to any student with an interest in learning the theories of biofeedback and stress management.

**FIELD TRIP REQUIREMENTS:** May be required

**TRANSFER APPLICABILITY:** Associate Degree Credit & transfer to CSU and/or private colleges and universities. CSU General Education.

---

### 137 Human Sexual Behavior

| 48 - 54 hours lecture, 3 units | Letter Grade or Pass/No Pass Option |

**REQUISITES:**
Advisory: English 101 with a grade of "C" or better, or equivalent or Assessment Skill Levels R6 and W6.

This course is a study of the psychological, social, and physiological dimensions of human sexual behavior. Emphasis is placed on the diversity of human sexual development and current research. This course is designed for psychology majors and all students interested in human sexual behavior and related issues.

**FIELD TRIP REQUIREMENTS:** May be required

**TRANSFER APPLICABILITY:** Associate Degree Credit & transfer to CSU and/or private colleges and universities. CSU General Education. IGETC. UC Transfer Course List.

**REQUISITES:**
- **Advisory:** English 43 with a grade of "C" or better, or equivalent or Assessment Skill Level W4.
- **Limitation on Enrollment:** This course is not open to students with previous credit for or concurrent enrollment in Spanish 100.

This entry level course introduces students to the Spanish language and cultures of the Spanish-speaking world. In this interactive course, students learn and use the language by speaking, listening, reading, and writing at the novice level. They also examine and explore basic Spanish language structures and vocabulary. This course is intended for beginning students who seek basic proficiency in the Spanish language, students who want to take other Spanish courses and students who want to learn Spanish for their personal enrichment.

**FIELD TRIP REQUIREMENTS:** May be required

**TRANSFER APPLICABILITY:** Associate Degree Credit & transfer to CSU and/or private colleges and universities. CSU General Education. IGETC. UC Transfer Course List.

*Requires Board of Trustees approval prior to implementation

Spanish (SPAN) Discipline: Foreign Languages  Tabled for further discussion at the 5/10/12 CIC meeting

102 Second Course in Spanish
80 - 90 hours lecture, 5 units
Letter Grade or Pass/No Pass Option

REQUISITES:
Prerequisite: Spanish 101 with a grade of "C" or better, or equivalent or two years of high school Spanish with a grade of 'C' or better, or equivalent.
Advisory: English 43 with a grade of "C" or better, or equivalent or Assessment Skill Level W4.
Limitation on Enrollment: This course is not open to students with previous credit for or concurrent enrollment in Spanish100.

In this interactive continuation of first-semester Spanish, students develop listening, reading, speaking, and writing skills at a more complex level. Students further develop their receptive and productive competencies to the intermediate low/mid level. The course explores additional Spanish language structures and vocabulary for communication. This course is intended for students who want to further their basic proficiency in the Spanish language, students who want to take a third-semester Spanish course, and students who want to continue learning Spanish for their personal enrichment.
