D. Pulled Curriculum Discussion: COMP 655, COMP 656, COMP 657, Certificate of Completion: Cybersecurity Analyst Program, and Certificate of Completion: Cyber Threat and Response Program

The Cybersecurity faculty at City College requested to meet with the Cybersecurity faculty at Continuing Education (C.E.) to discuss concerns about overlap of curriculum. A Cybersecurity discipline meeting will be scheduled by District Curriculum Services. Cybersecurity Faculty from City College and Continuing Education will be invited to address curriculum issues.

III. OLD BUSINESS

A. Walk-In Agreements Criteria (*Discussion/Information*)

The council reviewed and edited the walk-in agreements criteria. The criteria will be brought back to the March 22, 2018 CIC meeting for a vote of approval.

San Diego Community College District Curriculum and Instructional Council

B. District Graduation Requirements Memo (*Action*)

The colleges reported no objections from their campuses in regards to the proposed recommendations by Student Services to the District Graduation Requirements.

<i>Recommend Approval of the Recommendations from Student Services for the District Graduation Requirements</i>
<i>Motion by Gustin</i>
<i>Second by Spradley</i>
<i>Final Resolution: Motion carries</i>
<i>Aye: Boots, Fischthal, Hopkins, McGrath, Namdar, Norvell, Palma-Sanft, Parker, Short</i>

IV. New Business

A. General Education Catalog Description (*Information*)

A suggestion to change the District General Education description of ‘Physical Sciences’ to ‘Physical Science,’ to be consistent with the CSU and IGETC catalog description of ‘Physical Science.’ The council decided not to change the description, reasoning that ‘Physical Sciences’ accounts for the different sciences that are listed under the catalog description. Also, the District has a subject area of ‘Physical Science’ and should not be confused with the CSU and IGETC General Education catalog description.

B. Substantive Change of CTE Awards (*Information*)

It was shared that if the State Chancellor’s Office sees a change to an award as a substantive change, colleges are required to submit their Career Technical Education (CTE) degree to the regional workforce for recommendation. In addition to the new practice, the colleges must provide new labor market information, regional occupation, and recommendations.

The council agreed to push-back against the new practice. They reasoned that the software used by the State Chancellor’s Office may incorrectly determine an award change as substantive, thus causing duplicative work for the colleges as they are now required to re-submit supporting documentation.

C. Walk-Ins: (Action)

Miramamar College:

1. EXSC 242B—Distance Education (DE) only proposal (hybrid/partially online only), fall 2018 start date
2. EXSC 282—Six-year review, including DE proposal (hybrid/partially online only), fall 2018 start date
3. EXSC 285—DE only proposal (hybrid/partially online only), fall 2018 start date
4. EXSC 286—DE only proposal (hybrid/partially online only), fall 2018 start date

Short explained that the theory aspect of the course will be taught through distance education and the demonstrations of how to use equipment will be in person. A minimum of 24 hours is spent face-to-face.

Recommend Approval of EXSC 242B/EXSC 285/EXSC 286 for DE only (hybrid/partially online only) and EXSC 282 for six-year review, including DE proposal (hybrid/partially online only).
