* Credit may not be awarded for exams which duplicate credit for the same content earned through other means.

1. If a student passes more than one exam in the same language other than English (e.g. two exams in French), then only one examination may be applied toward CSU baccalaureate degree requirements.
2. Students who have completed the American Institutions requirement except for the California government portion must complete one course approved in Area US-3.

Credit is not awarded for the following exams: College Composition, College Composition Modular, College Mathematics, English Composition (with or without Essay), Freshman College Composition and Social Sciences and History.
