

# SAN DIEGO COMMUNITY COLLEGE DISTRICT

CITY COLLEGE • MESA COLLEGE • MIRAMAR COLLEGE • CONTINUING EDUCATION

Board of Trustees Meeting Date: 06/07/2018

The following curriculum changes are proposed for the San Diego Community College District for City College, Mesa College, Miramar College, or Continuing Education. There is no additional cost to the District.

## **New Programs**

---

### *San Diego Continuing Education*

#### **1. Certificate of Completion ESL Pronunciation**

The ESL Pronunciation Program provides instruction in the sounds of spoken American English. The program will help students progress from identifying and producing isolated sounds to speaking clearly and fluently in extended sentences and conversations. Instructional focus includes understanding the relationship of phonology, syntax and semantics to the rules of American English pronunciation. Additionally soft skills, critical thinking skills and cultural awareness are incorporated throughout the course.

#### **Justification:**

Upon completion of this program, students will be able to apply pronunciation strategies and techniques in higher educational settings, vocational training, and in the workplace.

### *San Diego City College*

#### **1. Esthetician Business Administration, Associate of Science Degree**

The Associate of Science Degree in Aesthetics with an emphasis in Business Administration Entrepreneurial Concentration combines the Esthetician core training, small business entrepreneurship, business communications, theatrical makeup, and office software training to prepare students to open and/or manage a skin care salon or Spa.

#### **Justification:**

The Cosmetology advisory board recommended the creation of associate degrees for the esthetician students that aggregates the aesthetics, theatrical makeup, office software skills, business communications, and business entrepreneurship courses into an associate degree with a concentration in business administration entrepreneurship. This degree will enhance employment opportunities for graduates.
