4. Changes to transfer section of City's 06-07 catalog:

Libby gave an update of the changes made to the transfer section in the catalog.

5. Transfer guide in Mesa's catalog:

Myra to contact Mesa and inform them that a couple of things are missing from Mesa's transfer guide.

6. Special Topics vs. Experimental Courses:

Duane will prepare a chart and bring it to DAC first and then present it to CIC during the Fall.

7. Articulation of Revised Physics Sequences

Libby will look at the PHYS 125, 126 and 196 proposals. There are some issues to be resolved with the proposal on hold.

Juliette will review the PHYS 197

Libby suggested starting the deactivations of physics courses in April after CSU approves/denies the transferability. Laurie will talk to Jeff about the timing issue for catalog purposes.

Duane will revise the draft and e-mail it to the Articulation Officers and Instructional Services.

8. CSU GE vs. District GE:

Articulation Officers will revise the chart and will e-mail it to Instructional Services. Courses proposed for District GE will be included in the Transferability Report that is presented at the last CIC meeting.

New Business
