Thu Nguyen – Miramar Evaluator
Michelle Radley – Articulation Assistant, Instructional Services

ACTION ITEMS

Old Business

1. Course Equivalency Grid: Articulation Officers

A procedure was established to research these courses: The courses in disagreement were divided up among the Articulation Officers, the AOs in turn will follow up with the college departments. Each one of them will be responsible to obtain district-wide agreement among the departments. The Articulation Officers will report the information to Myra Harada, and she in turn will keep the Evaluators informed.

New Business

2. HIST 175 CSU GE certification:

Juliette Parker will review the course and will inform the other AOs and Instructional Services.

3. Howard University Articulation Agreement:

Myra Harada will research to see if there are other pending agreements with other universities and will inform the Articulation Officers.

4. Special Topics Courses:

The Articulation Officers will review the Special Topics courses draft and give Duane Short feedback. Once the document has been revised, then the Articulation Officers will take the document to their respective CRC committee for consideration.

5. Updating SDSU prep for major sheets:

The SDSU prep for major sheets are updated in the Summer. Duane and Libby Andersen will work together to update the sheets for Miramar and City.

6. Curriculum Change Report

Libby will e-mail her format to Duane and Juliette Parker, so they can present the information in a uniform manner.
