

CURRICULUM & INSTRUCTIONAL SERVICES
DISTRICT ARTICULATION COUNCIL
ACTION ITEMS
10-04-06
Room 335

Attendees:

Myra Harada – Dean of Curriculum and Instructional Services
Lynne Ornelas - Associate Dean, Economic & Workforce Development
Juliette Parker – Mesa Articulation Officer
Michelle Radley – Articulation Assistant, Instructional Services
Duane Short – Miramar Articulation Officer

ACTION ITEMS

Old Business

1. LDTP

Duane prepared a list of courses that could be submitted for LDTP. Duane would like to submit the courses at the second cycle for submissions (November 1-February 15). Duane thinks that the colleges should submit the same course for the same descriptor, Juliette agrees. Articulation Officers will coordinate submission.

2. CAN

Articulation Officers will advise Instructional Services about removal from course descriptions in the catalog.

New Business

3. High school to College Statewide Articulation Project:

Lynne reported to the Articulation Officers that task force teams are being created to review the benefits and/or drawbacks of creating a statewide articulation model. She will keep the Articulation Officers informed.

4. Response to SDSU courses losing articulation in 2007-2008

ARTF 150B and ARTG 106 are losing articulation with SDSU. Duane will e-mail Stephanie Samuels, SDSU Articulation Officer to find out what needs to be done so articulation won't be lost for these courses.

5. Transfer Studies Degree

Duane is working on a proposal for a transfer studies degree that will specify the area of emphasis. He will take this issue to the Curriculum Committee. He is also working on a program inventory report. He will e-mail Myra a copy of the inventory.

6. Agenda Items for the November meeting with Evaluators

The Articulation Officers will inform the evaluators to bring questions to them, and the AOs will take their questions to DAC for discussion.

The Articulation Officers added LDTP and Evaluations Grid to the November Agenda.
