## 2017–2018 College Catalogs

The 2017–2018 College Catalogs are now available in hard copy or on the web at <http://studentweb.sdccd.edu/> under Current Students. Please contact District Curriculum Services at 619-388-6963 for additional copies.

## Strategic Planning Update

The Strategic Planning Committee convened on May 26, 2017. Committee members reviewed the draft SDCCD Strategic Plan 2017 – 2021 publication.

The publication will be finalized through the shared governance process before approval by the SDCCD Board of Trustees.

## San Diego County College and Career Readiness Consortium Update

The San Diego County College and Career Readiness Consortium (SDCCRC) highlighted the Information Communication Technology Sector during the May Steering Committee meeting. The Information Communication Technology (ICT) Deputy Sector Navigator (DSN), City College, provided an overview, professional development opportunities for ICT teachers, and work-based learning opportunities for students. This effort has led to new partnership opportunities.

# Strong Workforce Program Update

California Legislature made a significant investment in California's community colleges by allocating \$200 million in annual funding for career and technical education (CTE) under the Strong Workforce Program (SWP). The funding was written into the budget through Assembly Bill 1602 as part of an effort to expand and improve CTE programs in California, with a focus on regional collaboration and preparing more students for high-demand and high-wage jobs.

# 10 Attributes of Successful Online Students

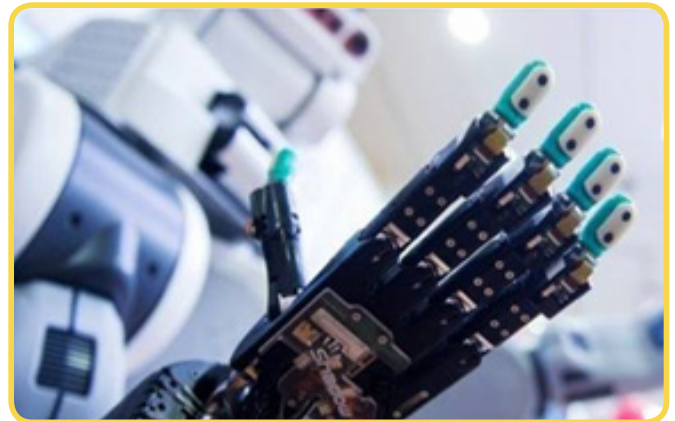

1. They believe in the process: Online students adopt a positive attitude about their school, distance education process, the faculty, and the courses.
2. They speak up: ...students should be aggressive about receiving the support they expect, and clearly communicate the resources they need.
3. They perfect their technical skills.
4. They stay connected: Students should have reliable Internet Service.
5. They know their resources.
6. They find their passion: Students should aim to choose a program that gives their life purpose.
7. They actively participate.
8. They take breaks: Students should engage in coursework in "chunks" of time rather than in long stretches in front of the computer.
9. They schedule their time.
10. They communicate with others.
