

Joint Partnership Planning Meeting
The San Diego Workforce Partnership & The San Diego Community College District
Thursday, August 15, 2024 | 9am | District Office

Agenda

Partner Updates

2024-2025 Planning

Referrals & Recruitment | Job Placement & Employability | Program & Process Awareness

DRAFT priority project areas for discussion:

1. Data Engagement
 - Maintain:
 - Data Sharing Agreement (expires May 2025)
 - Term-based data exchange
 - Co-enrollment dashboard
 - Identify SDCCD students eligible for SDWP services
 - Leverage data to inform tailored outreach & communication
2. Special Populations
 - Connect Workforce Partnership priority population programs with districtwide and college-specific affinity groups (select one or more groups to focus on)
3. WIOA Partnerships (mandated partners)
 - Strengthen WIOA I and WIOA II connections (example: adult education at San Diego College of Continuing Education)
4. Employer Engagement
 - Maintain monthly practitioner meetings – consider regional expansion
 - Partner on Rapid Response / Layoff Transition Services
5. Sector Initiatives - *Advanced manufacturing | ICT | Energy, Construction, & Utilities | Healthcare | Public Admin (EMT & Fire)*
6. Career Services
 - Co-location | ETPL
7. Joint Partnership Committee
 - Focus on relationship building and program and partnership awareness
 - Decrease large group meeting frequency
8. Recognize & Connect Dots Across Existing Partnerships - *San Diego Gateway to College & Career (Continuing Ed) | Apprenticeship Readiness – Construction (Continuing Ed) | Behavioral Health program partnership (City) | CyberHire | Board Participation*
9. Regional Engagement
