

## CTE Transitions Credit by Exam DAC Update February 2023

### UC Clarification Regarding Credit by Exam

Per December’s Discussion: This clarification has no impact on current processes. We will continue to assess potential four-year transfer impacts for all proposed new high school and noncredit to college CTE articulation credit by exam agreements; articulation officers play a key role in supporting this assessment and providing recommendations as to whether or not a UC transferable course should be approved for credit by exam. The DAC will continue to provide review and make recommendations when needed.
