

Regional Consortium Program Recommendations May 2023 Update

San Diego City College

One (1) new program was submitted for regional recommendation and endorsed by the Deans Council. Based on submitted labor market information, the program was also endorsed by the Centers of Excellence (COE). COE comments are noted below.

- Accounting, CoA - New
 - COE Comments: San Diego City College submitted the appropriate LMI from the COE. The COE recommends proceeding with developing a new program because 1) a supply gap exists for this occupation; 2) their entry-level and median earnings are above the living wage; and 3) the typical entry-level education is some college or certificate.
