Promoting Transitions and Credit College Pathways

Credit College Faculty, Deans, and Outreach Coordinators listed above are available to provide program pathway information and partner with you to increase SDCCE student awareness about transitions to credit college and career pathway programs at the credit colleges. Reach out to:

- Plan events for SDCCE students to go on campus at one or more of the credit colleges
- Plan events to have outreach and program faculty come to your SDCCE classrooms and share program information
- Work with credit college outreach to hold group CCCApply workshops
- Invite credit college faculty and outreach to your orientations

Additional Support for Completing the College Application

Students may request support through The Outreach Support Request Form at each college (see links below). These forms allow students to request an appointment with an Outreach Ambassador who can help them complete the college application and provide them with additional information.
