JOB SEARCH GUIDE

LANDING YOUR DREAM JOB

Finding a job doesn't need to be complicated follow these simple steps to landing your dream job.

SEARCHING WITH ETHICS

Our team expects that each student engage in employment opportunity searches and live recruitment events with ethics and manner. Remember to make an amazing first impression for long-term success.

View our [Quick Guide](#) to ensure you are representing yourself and the campus with the best manners to secure a job aiding to a rewarding future.

DEFINE YOUR GOALS

Before you begin to update your resume and jump into a job search, take some time to think about your short-term and long-term goals for your job search. See below some key questions to ask yourself.

- What level of responsibility can you take on in addition to your studies?
- Is there an opportunity for growth in the organization?

Need additional help?
