<b>Part I – Headcount Summary</b> .....	5
<b>Part II – Enrollment Summary by Discipline</b> .....	6

## **Introduction**

In 1991, the California Legislature charged all levels of public education, including California community colleges, to provide educational equity *“not only through a diverse and representative student body and faculty, but also through educational environments in which each person...has a reasonable chance to fully develop his or her potential (Education Code §66010.2.c).”* As a result, in September 1992, the Board of Governors of the California Community Colleges adopted a Student Equity Policy to ensure that groups historically underrepresented in higher education have an equal opportunity for access, success, and transfer. Furthermore, the Board of Governors also recommended a set of student equity indicators in order to assist districts in identifying equity issues. These indicators included: access, course completion, ESL and basic skills completion, degree and certificate completion, and transfer rate. Since data for these indicators were already collected by the California Community College Chancellor’s Office, there was no additional MIS reporting requirements on the part of the districts. However, the Chancellor’s Office did require the districts to focus on student achievement by disaggregating the data by demographic group. Thus, in keeping with the required regulations, the Office of Institutional Research and Planning at the San Diego Community College District (SDCCD) developed the “Student Equity Measures” report, which was produced every fall semester from 1992 to 1998. Each semester the same method has been used in the calculations of student success and course completion. The present report is using these same methods in order to maintain the consistency of this report to earlier semesters. The methods for calculation, particularly for the course completion percent, is under review and may be changed to delete those students who “never attended” from the denominator.

In preparation for the upcoming accreditation site visits and with the anticipated revision of the district’s equity plan, the Office of Institutional Research and Planning developed a revised version of the “Student Equity Measures” report. This report, titled “Student Equity Report”, is similar to the previous report in that it continues to provide information in terms of student performance for each discipline area in which credit courses are taught. Significant changes between the two reports are noted in the “method and terminology” section.

## Method and Terminology

**NOTE: THIS SUMMARY SHOULD BE INCLUDED WITH ANY DISTRIBUTION OF THE STUDENT EQUITY REPORT.**

This report is divided into two major parts: Part I – Headcount Summary and Part II – Enrollment Summary by Discipline<sup>1</sup>.

Data for this report are from the fall 2003 term and are summarized by equity categories as defined by the State Chancellor's Office. In addition, categories for primary language status, EOPS<sup>2</sup> status, and financial aid status were included. These categories are briefly described below:

### Equity Categories

1. ETHNICITY As reported by the student on the admissions application.
2. GENDER As reported by the student on the admissions application.
3. AGE Computed variable based on birth date as reported by the student on the admissions application.
4. DISABLED Status is determined by the use of DSPS services.
5. PRIMARY LANGUAGE As reported by the student on the admissions application.
6. EOPS Status is determined by the use of EOPS services.
7. FINANCIAL AID<sup>3</sup> Status is determined by the receipt of financial aid.
8. TOTAL In Part I, Total reflects the total student headcount for the college. In Part II, Total reflects the total number of enrollments for a particular discipline.

---

<sup>1</sup> The college catalog uses **discipline** and **subject area** interchangeably. For the purposes of this document, **discipline** was used throughout the report.

<sup>2</sup> Extended Opportunity Programs and Services (EOPS) – This category was not part of the previous “Student Equity Measures” report.

<sup>3</sup> This category replaces the “Financial Status” category in the previous “Student Equity Measures” report.

## Method and Terminology (continued)

**PART I – Headcount Summary:** This section provides a single-page headcount summary of performance by equity categories. The equity performance measures used in this section include: (1) units attempted, (2) units earned, (3) term retention, and (4) term GPA. Data in this section are unduplicated, thus, performance data were reported as “headcount summaries” within each equity category. The equity performance measures used in this section are described below:

UNITS ATTEMPTED	The total number of units (in all courses) in which a student was enrolled, excluding courses in which the student dropped or never attended. The average number of units attempted was reported for all students within each equity category.
UNITS EARNED	The total number of units (in all courses) earned at the end of the fall semester. Courses for which a student dropped, never attended, withdrew, received an “F” or “NC” (no credit) did not contribute to the total. The average number of units earned was reported for all students within each equity category.
TERM RETENTION <sup>4</sup>	Defined as the total number of students who completed the term by earning at least 0.5 credit units during the fall term. A term retention rate (proportion of students who completed the term) was reported for all students within each equity category.
TERM GPA	The Grade Point Average (GPA) for all courses in which a <i>letter grade</i> was issued. This measure used the traditional four-point scale, and does not include grades of: credit, no credit, incomplete, drop, or withdrawal. The average term GPA was reported for all students within each equity category.

---

<sup>4</sup> This measure replaces the “Attrition” measure used in the previous “Student Equity Measures” report.

## Method and Terminology (continued)

**PART II – Enrollment Summary by Discipline:** This section provides an enrollment summary of performance by equity category for each discipline. The equity performance measures utilized in this section include: (1) GPA, (2) success rate, and (3) attendance status. Data in this section are duplicated<sup>5</sup>, thus, performance data were reported as “enrollment summaries” within each equity category.

GPA	The Grade Point Average (GPA) for all enrollments (for courses within a discipline area) in which a <i>letter grade</i> was issued. This measure used the traditional four-point scale, and does not include grades of: credit, no credit, incomplete, drop, or withdrawal. The average GPA was reported for all enrollments within each equity category. <b>Note:</b> No average GPA is reported for disciplines that offer only credit / no credit courses or categories with zero enrollments.
SUCCESS	The total number of enrollments (within a discipline area) in which a letter grade of “A”, “B”, “C”, or “CR” (credit) was given. A success rate (proportion of successful enrollments) was reported for all enrollments within each equity category.
ATTENDANCE STATUS	The number and percent (row percentage) of enrollments in which a student: (1) never attended, (2) dropped, (3) withdrew, or (4) completed – includes all grades, credit, no credit, and Incomplete. Numbers and percentages for the four attendance status types were reported for all enrollments within each equity category.

**Zero Enrollments:** The number of enrollments for each discipline area varies significantly. As a result, some equity categories such as “American Indian,” may have zero enrollments. Therefore, in order to minimize the number of categories with zero enrollments, only discipline areas with total enrollments greater than 20 were included in this report.

---

<sup>5</sup> Students enrolled in more than one course within a discipline are counted more than once.
