San Diego Community College District

Overview

Academic Year 2014-2015

As the second-largest of California's 72 community college districts, the San Diego Community College District serves approximately 100,000 students annually at its three credit colleges (City, Mesa and Miramar Colleges), and six non-credit campuses of San Diego Continuing Education (SDCE). The three credit colleges offer associate degrees and career technical certificates that prepare students for transfer to universities and/or higher paying jobs. In addition, Mesa College now offers a bachelor's degree in Health Information Management as part of California's Baccalaureate Pilot Program. SDCE is the state's largest provider of adult education and was recognized by the Little Hoover Commission as a model for adult education in California. SDCE offers more than 3,500 classes – giving adults the opportunity to renew their learning experiences through noncredit career technical, basic skills, life skills, and enrichment classes. Additionally, SDCCD maintains active partnerships with local industry, the community, the military, and other educational institutions. A number SDCCD programs are unique to the San Diego region, including the Center for Competitive and Applied Technologies, the Southern California Biotechnology Center, the San Diego Regional Public Safety Training Institute, the Workplace Learning Resource Center, the KSDS-FM jazz radio station, and the Accelerated College Program (taught at area high schools). In addition, the SDCCD Military Education Program serves more than 13,000 Army, Navy, and Marine Corps personnel at four military bases in four states. The SDCCD and its graduates have a combined economic benefit to the region of \$5.2 billion annually – 96 percent of the District's students remain in the region after completing their education. SDCCD is governed by its five-member, locally elected Board of Trustees and three student members. Participatory governance activities involve faculty, students, and staff in the development of solutions to key policy and budget issues.

Major Construction Projects/Improvements Underway or Planned for the Year

SDCCD continues to implement technology upgrades districtwide as a result of Propositions S and N, and divert a significantly higher percentage of its waste stream than the 50% required by legislation. The implementation of a computerized irrigation system, coupled with using drought-tolerant plants and trees, and moving away from turf-based landscapes, has enabled the District to save tens of millions of gallons of water annually, and putting the District well ahead of local mandates. The District is committed to evaluating the viability of various sustainable resources and green technologies to reduce energy consumption. A thermal energy storage tank constructed at Miramar College helps mitigate high energy demand at peak times. This project will pay for itself in nine years, and over a 30-year life expectancy, will result in energy cost savings of approximately \$13 million. Moreover, significant amounts of solar energy

are being generated—nearly 17 million kilowatt hours to date, resulting in earned Renewable Energy Credits. By reducing generation of carbon dioxide, the District is also earning Carbon Offset Credits. The District also continues implementation of a smart metering system, which measures electricity usage multiple times per day, providing meaningful information about when and where energy consumption is at its highest.

College Terms	
Summer	June 1, 2015- August 8, 2015

College President: Anthony E. Beebe , Ed. D

College Terms	
Summer	June 1, 2015- August 8, 2015
Fall	August 24, 2015- December 19, 2015
Spring	January 25, 2016- May 21, 2016

Established in 1914 as the first community college in San Diego and the fifth in California, the multicultural campus is home to more than 25,000 students annually, and offers 250 degree and certificate programs and over 1,700 classes. Serving as the educational cornerstone of downtown San Diego, the 60-acre urban campus is a short walk to the trolley station, world-renown Balboa Park, the bustling Gaslamp Quarter, PETCO Park, and San Diego Bay. Completing the largest construction transformation in its history, including the addition of five new classroom buildings, City College now encompasses nearly 1/5 of the downtown footprint. Leaders in innovation, City College was the first college to start a Sustainable Urban Agriculture program in San Diego County, and its Seeds@City Urban Farm serves as an outdoor classroom and farmer’s market. In 2015, college faculty and staff hosted the first Annual Social Justice and Education Conference to advance the role of social justice in academics. Additionally, the Institute for Human Development serves the community through its Community Health Work, Youth Development Work, Mental Health Work, Peace Studies, and Futures Studies programs. Alumni are employed throughout the region in a variety of fields and industries. Nursing graduates work in every major health care facility in San Diego County. City College also offers career technical training for in-demand fields such as Environmental Control Technology, Biotechnology, Computer Information Systems, and Digital Music Technology. Additionally, the vibrant Visual and Performing Arts department offers theater, dance, music, fine art, and award-winning graphic design and photography programs. Offering exceptional student support services and excellence in education for 101 years, City College remains a number one choice for a quality education.

Major Construction Projects/Improvements Underway or Planned for the Year

City College is scheduled to have six instructional and support facilities, eight major renovations, new parking facilities, public safety enhancements, and an infrastructure upgrade. In 2014/15 the new Arts & Humanities and Business & Technology buildings were opened. Both of these projects are tracking Leadership in Energy and Environmental Design (LEED) Gold certification from the United States Green Building Council. Construction began on the “C” Building Renovation project, and is expected to be completed by Fall 2015. This project is also on track to obtain a LEED Silver certification. The “M” Classroom Building project finished construction in November 2014, and is expected to receive a LEED Silver certification. Designs for the renovations of the “A,” “D,” and “T” Buildings have been submitted to Division of the State Architect, and are expected to exit in early 2016.

Mesa College Overview *Academic Year 2014-2015*

College President: Pamela T. Luster, Ed. D.

College Terms	
Summer	June 1, 2015- August 8, 2015
Fall	August 24, 2015- December 19, 2015
Spring	January 25 2016- May 21, 2016

Among the largest community colleges in California and the nation, San Diego Mesa College is a fully accredited, comprehensive college serving nearly 36,000 students annually, and offering more than 195 associate degree and certificate programs. In March 2015, Mesa College was among 12 California community colleges selected to offer a pilot four-year baccalaureate degree in Health Information Management. With its premier fine arts and music programs, robust language and humanities offerings, and rigorous math and science curricula, Mesa ranks as San Diego's top institution. The college also serves as an important economic catalyst for the region. Its career workforce programs include allied health fields, biopharmaceutical, multimedia, animal health technology, American Sign Language, hospitality, culinary art, fashion, architecture, and interior design. Situated on a beautiful, suburban 104-acre mesa in the geographic center of San Diego, the college's small classes, outstanding faculty, and reputation for quality offer an unparalleled academic experience. As an HSI (Title V) eligible institution, Mesa College is committed to the success of all students, including underrepresented students, and more than 2,000 veterans and their families.

Major Construction Projects/Improvements Underway or Planned for the Year

Mesa College is scheduled to have 10 new instructional and support facilities, five major renovations, nine infrastructure projects, new parking facilities, and public safety enhancements. In 2014/15 the Social and Behavioral Sciences building was completed. This project is on track to obtain a Leadership in Energy and Environmental Design (LEED) Gold certification from the US Green Building Council. The renovation of the language labs in the Learning Resource Center was completed. A Topping Out ceremony was held for the Cafeteria/Bookstore/Stockroom aka Mesa Commons project. The project is targeting a LEED Gold certification. A dual groundbreaking ceremony was held for construction on the Cafeteria/Bookstore/Stockroom, aka Mesa Commons, and Exercise Science Center projects. Both projects are tracking a LEED Silver certification. Design and programming activities continued for the Center for Business and Technology, the project's design was submitted to the Division of the State Architect (DSA). The renovation of the L-200 building, which will provide additional campus facilities support areas on campus, is expected to exit DSA review in the summer of 2015. The Student Services Center won the Outstanding Works of Landscape Architecture 2014 award from the American Society of Landscape Architects. The Cafeteria/Bookstore/Stockroom won the Unbuilt Award from the American Institute of Architecture.

Miramar College

Overview

Academic Year 2014-2015

College President: Patricia Hsieh, Ed. D.

College Terms	
Summer	June 1, 2015- August 8, 2015
Fall	August 24, 2015- December 19, 2015
Spring	January 25, 2016- May 21, 2016

San Diego Miramar College, located in the Mira Mesa/Scripps Ranch suburban area of San Diego along the I-15 corridor, offers 80 academic majors, 90 career technical education certificates, and comprehensive transfer programs to students looking to attend UC, CSU and private institutions. The College serves more than 20,000 students annually, and is the 17th fastest growing community colleges in the nation. Partnerships with local industry and the city and county of San Diego help Miramar College prepare students for high demand, and well-paying careers in the highly competitive labor market, including biotechnology, paralegal, aviation, automotive, diesel, and alternative fuels technologies. Miramar College is home to the Southern California Biotechnology Center, Advanced Transportation and Technology Center, and San Diego Regional Public Safety Institute. Since 1969, the college has provided training for nearly all law enforcement officers and firefighters within San Diego County. The Public Safety Institute also trains EMTs and offers the only open water lifeguard degree program in the world. Campus upgrades over the past few years include: state-of-the-art science building; automotive; heavy duty advanced transportation; fitness/athletics/health; humanities/arts and business/math classroom buildings; fire science/EMT training center; MTS transit center; and a 100,000 square foot library/learning resources center and student union are among major facilities recently completed to meet the comprehensive instructional and student service needs of its growing student body. Miramar College also fields five intercollegiate sports teams.

Major Construction Projects/Improvements Underway or Planned for the Year

Miramar College is scheduled to have 16 new instructional and support facilities, three major renovations, new parking facilities, public safety enhancements, and an infrastructure upgrade, including a new quad. In 2014/15 the Heavy Duty Advanced Transportation Technology Center received the Growth Award of Honor by the Community College Facility Coalition. This facility is on track to obtain a Leadership in Energy and Environmental Design (LEED) Silver certification from the United States Green Building Council. Numerous infrastructure upgrades were completed. A grand opening ceremony was held for the new Fire Technology/EMT Training Facility, which won the Outstanding Project Award from the American Society of Civil Engineers in April 2015. The new Administration Building was completed. This project is on track to obtain a LEED Silver certification. The Student Resource and Welcome Center project finished construction, and is targeting a LEED Silver certification. Substantial completion of the Science Building Expansion project took place, and is targeting a LEED Silver certification.

Continuing Education Overview *Academic Year 2014-2015*

College President: Carlos O. Turner Cortez, Ph.D.

Continuing Education Terms	
Summer	June 8, 2015- August 22, 2015
Fall	September 8, 2015- January 30, 2016
Spring	February 3, 2016- June 11, 2016

San Diego Continuing Education (SDCE) is the adult education division of SDCCD. In 2014-15, approximately 45,000 students were served at six main campuses and many community locations. Continuing Education is one of the oldest and largest noncredit institutions in the nation, serving San Diegans since 1914. Students are among the most diverse in California—culturally, ethnically, and educationally.

Noncredit classes are offered at no cost, and students who enroll in classes have a variety of educational and personal goals. Programs address essential areas of adult education including short-term job training, career development, English as a Second Language, adult basic skills, an Emeritus program for age 55+, parenting, and Disability Support Programs and Services. Additionally, a Community Education program offers low fee classes for professional and personal enrichment.

SDCE was one of the first noncredit institutions in the U.S. to be separately accredited by the Western Association of Schools and Colleges (WASC). The administrators, faculty, and staff are highly qualified with many holding master's degrees and several holding doctoral degrees.

Major Construction Projects/Improvements Underway or Planned for the Year

The North City Campus obtained a Leadership in Energy and Environmental Design (LEED) Gold certification from the United States Green Building Council (USGBC) in January 2015. The expansion of the Educational Cultural Complex (ECC) was completed and includes a new administration area, a new classroom wing, the renovation of the previous administration wing, and new parking. The project was awarded a LEED Silver certification from the USGBC in November 2014. Construction for the new Cesar E. Chavez Campus began and is expected to be completed in June 2015. The project is on track for a LEED Silver certification. Construction of a parking structure for the new César E. Chávez Campus was completed in Spring 2015. The West City Campus parking lot expansion project achieved substantial completion in September 2014.

Joint High School Diploma	160
Certificate of Completion	5,728
Total Diplomas and Certificates	5,888

2015 Career Development and College Preparation Rate*

The percentage of students tracked for six years through 2013-14 who started in a Career Development and College Preparation course, and completed a certificate, degree, or transfer related outcomes.

CDCP Rate for the 2008-09 Cohort Tracked for Six Years: 6%

Note. Coding of the Career Development and College Preparation courses and programs that are reported in the CDCP rate did not begin until 2007-08. Retroactive recoding continues to be examined for improved accuracy of enrollment and outcomes in future reporting.

Definition of Terms

San Diego Community College District

Headcount

The individual count of students, or unduplicated headcount. Drops, never attends, and cancelled classes are excluded. Apprenticeship, contract, and fee-only students are also excluded.

Basic Skills Courses

Courses in English and math that are one level or more below transfer level English and math. Also included are all ESOL courses.

Contact Hours

Number of student contact hours for all methods of accounting including: WSCH, DSCH, PA, PO, PQ, IS, and IX.

Degrees, Certificates, and Diplomas

The number of degrees, certificates, and diplomas awarded in Summer 2013, Fall 2013, and Spring 2014.

Enrollment - College

The number of seats enrolled, or duplicated headcount. Drops, never attends, cancelled, and tutoring classes are excluded.

Enrollment - Continuing Education

The number of seats enrolled, or duplicated headcount. Less than one attendance hour, drops, never attends, and cancelled classes are excluded.

First Generation Students

Students who have identified themselves as the first generation in their family to attend college.

FTES

The total number of full-time equivalent students enrolled. Includes non-residents. Excludes non-state supported, cancelled, and tutoring classes. F-Factor is included.

Retention Rate

The percentage of students who complete a course with a grade of A, B, C, D, F, P, NP, I or RD out of total official census enrollments. Tutoring and cancelled classes are excluded.

Students Receiving Financial Aid

The number of students who were enrolled as of official census and received financial aid.

Success Rate

The percentage of students who complete a course with a grade of A, B, C, or P out of total official census enrollments. Tutoring, noncredit, and cancelled classes are excluded.

Transfers

The total number of students who transferred to a 4-year institution and were enrolled at an SDCCD college at any time within six semesters prior to transferring (including stop outs). The student must also have completed 12 or more transferrable units from any one of the SDCCD credit colleges within six years prior to transferring to a 4-year institution.
