Ashanti Hands, Ed. D.

Mesa College

Wesley Lundburg, Ph. D.

Miramar College

Tina King, Ed. D.

College of Continuing Education

Vice Chancellors

Bonnie Ann Dowd, Ed. D.

Business and Technology Services

Gregory A. Smith, MPA

Human Resources

Susan Topham, Ed. D.

Educational Services

Joel L.A. Peterson, Ph.D.

Facilities Management

Among one of the largest of California's 73 community college districts, the San Diego Community College District (SDCCD) serves approximately 100,000 students annually at its three credit colleges, San Diego City College, Mesa College, Miramar College, and the seven non-credit campuses of San Diego College of Continuing Education. The District proudly serves over 7,000 active-duty military personnel, veterans, and dependents.

The SDCCD is governed by its five-member, locally elected Board of Trustees and three student members serving on a rotating basis. SDCCD trustees are elected in even-numbered years to four-year terms by the voters of San Diego. The District's chief executive officer, the Chancellor, is responsible for carrying out the policies approved by the Board of Trustees. The District follows a participatory governance structure that allows constituent groups to participate in all planning processes.

The credit colleges offer associate degrees, and the College Continuing Education and the credit colleges offer career technical certificates that prepare students for transfer to universities and/or career pathways for gainful employment. In addition, Mesa College offers a bachelor's degree in Health Information Management as part of California's Baccalaureate Program. The SDCCD maintains active partnerships with local industry, the community, military, and educational institutions to ensure students have clear pathways to careers and the next stage of their education. The District and its graduates had a combined economic benefit to the region of \$3.6 billion during the 2020-21 fiscal year.

The District's credit colleges and College of Continuing Education each provide vibrant campuses, offering accessible, diverse learning experiences in a multicultural setting that both reflects and meets the needs of the community. With a focus on innovation, access, and excellence, the SDCCD is redefining the community college experience.

Major Construction Projects/Improvements Underway or Planned for the Year

The San Diego Community College District's \$1.555 billion Propositions S and N construction bond program has provided for new, state-of-the-art instructional and career training facilities, major renovations, public safety and accessibility enhancements, parking, and infrastructure projects at City, Mesa and Miramar Colleges, and seven Continuing Education campuses. All construction has been completed following the District's Green Building Policy and Major Renovation Standards. The policy calls for four key performance goals and includes the formal pursuit of Leadership in Energy and Environmental Design (LEED) certification. The District is on track to obtain 42 LEED-certified buildings. Currently, the \$35,000,000 renovation to the historic ECC Theater is in the design stage. The District is completing new Long Range Facilities Masterplans at each campus in anticipation of future capital improvements. In addition, the District is currently reviewing the feasibility of student housing.

San Diego City College

Overview

Academic Year 2021-2022

President: Ricky Shabazz, Ed.D.

Established in 1914 as the first community college in San Diego and the fifth in California, San Diego City College has served our communities for more than 108 years. As the District's flagship college, the multicultural campus is home to over 13,000 students each fall and spring semester, more than 200 degrees and programs, and more than 1,100 classes.

City College has as our core mission a commitment to social justice, educational equity, and academic excellence. Located in vibrant East Village, the 60-acre urban campus serves as the educational cornerstone of downtown San Diego. City College is a short walk from the City College Trolley Station, world-renowned Balboa Park, the Gaslamp Quarter, Petco Park, and the San Diego Bay. The college also offers career technical training for in-demand fields such as cybersecurity, environmental control technology, biotechnology, computer information systems, digital music technology, and machine technology.

City College alums are employed throughout the region as engineers, technology specialists, business leaders, radio/TV broadcasters, linguists, cosmetologists, fitness specialists, and child development teachers, to name a few. Nursing graduates work in every major health care facility in the region. The visual and performing arts department also offers theater, dance, music, fine art, and award-winning graphic design and photography programs: the Fine Art Gallery and Luxe Photography Gallery highlight campus and community work. Offering exceptional student support services and excellence in education, City College is the first choice for many for quality education.

Major Construction Projects/Improvements Underway or Planned for the Year

In June 2021, the Campus held a ribbon-cutting ceremony and celebrated the opening of its Early Education Center, which marked the completion of construction projects on Campus. The Propositions S & N construction bond project for the 60-acre College included six instructional and career training facilities, eight major renovations, additional parking, public safety, and infrastructure improvements.

With the completion of the Propositions S & N projects, the Campus is now focused on a new Facilities Master Plan, which will identify how campus facilities and infrastructure will grow over the next 10-15 years to support the Educational Program. Meetings and workshops will continue throughout the year, with the Master Plan expected to be presented to the Board of Trustees in fall 2022.

In spring 2022, City College received \$344,000 in state funding to support planning efforts in the feasibility of constructing and offering affordable student housing on Campus. The College is looking at the previous Child Development Center located on the corner of 16th and B streets as the potential location for affordable student housing with plans to apply for construction grants for a proposed 186,000-sqft, 613-bed student housing facility

San Diego Mesa College Overview *Academic Year 2021-2022*

President: Ashanti Hands, Ed.D

San Diego Mesa College is a fully accredited, comprehensive college committed to equity and excellence. We honor our diverse community of students, faculty, professional staff, and administrators who collaborate to foster scholarship, leadership, access, and innovation in an inclusive learning environment. By promoting student learning and achievement that leads to degrees and certificates, transfer, workforce training, and lifelong learning, we empower our students to reach their educational goals and shape their futures. Among the largest community colleges in California, Mesa serves 25,000 students per year, 20% of whom are full-time. Mesa offers nearly 200 associate degree and certificate programs and is one of 15 California community colleges offering a four-year baccalaureate degree. Mesa ranks as San Diego's top transfer institution, is a proud Hispanic Serving Institution (HSI), an Asian American and Native American Pacific Islander Serving Institution (AANAPISI), and a Military Friendly School, serving nearly 2,500 veterans and their families.

2022-2023 College Terms

Fall	August 8, 2022—December 17, 2022
Spring Intersession	January 3, 2023—January 28, 2023
Spring	January 17, 2023—May 27, 2023
Summer	June 5, 2023—August 12, 2023

Major Construction Projects/Improvements Underway or Planned for the Year

Situated on over 100 acres, Mesa College is one of the largest community colleges in California. Propositions S & N-funded projects for Mesa have included six new academic and career training facilities, two campus support facilities, five major renovation projects, and numerous infrastructure, parking, and public safety projects.

Recently, the campus' new Center for Business Technology (BT) building opened, expanding upon the east campus gateway projects. The dramatically-renovated Fine Arts (FA) building opened on the northern perimeter, and provides a modern and spacious museum-quality gallery on the main campus entry level.

The Quadrangle (Quad) project was completed. It included removing the three original single story buildings (I-100, I-200, J-100) in order to create an outdoor space with an amphitheater, new pathways between buildings, and grass and landscape areas. Other projects included increasing the number of ADA-accessible spaces under the solar carports located throughout the Campus, rebalancing and recommissioning the central plant for optimum efficiency, and repairing smart meters to be able to track energy data on individual buildings.

After completion of the Propositions S & N projects at Mesa College, the Campus focused on a new Comprehensive Educational and Facilities Master Plan; MESA 2030, which has identified how the Campus facilities and infrastructure will grow over the next 10 years to support the educational program. The Master Plan was recently approved by the Board of Trustees.

San Diego Miramar College

Overview

Academic Year 2021-2022

President: Wesley Lundburg, Ph. D.

Miramar College, a comprehensive community college committed to student success and located in the Mira Mesa/Scripps Ranch area of San Diego along the I-15 corridor, offers 72 associate degrees, 94 career technical education certificates, and a full range of transfer programs to students looking to attend UC, CSU, and private universities. The College serves approximately 22,000 students annually. To enrich student life, Miramar College fields five intercollegiate sports teams. Partnerships with local industry and the City and County of San Diego help Miramar College prepare students for high-demand and well-paying careers in the highly competitive labor market, including biotechnology, paralegal, aviation, automotive, diesel, and alternative fuels technologies. Miramar College is home to the Southern California Biotechnology Center, Advanced Transportation, and Technology Center, and San Diego Regional Public Safety Institute. Since 1969, the College has provided training for nearly all law enforcement officers and firefighters within San Diego County. The Public Safety Institute also trains EMTs and offers the world's only open water lifeguard degree program. The College is proud of its state-of-the-art facilities, including those for departments such as science; automotive; advanced heavy-duty transportation; fitness/athletics/health; humanities/arts and business/math classroom facilities; fire science/EMT training; MTS transit; and a 100,000 square foot library/learning resources center and student union to meet the comprehensive instructional and student service needs of its growing student body. This Spring, Miramar College awarded 1,109 associate degrees and 695 certificates.

2022-2023 College Terms	
Fall	August 8, 2022—December 17, 2022
Spring Intersession	January 3, 2023—January 28, 2023
Spring	January 17, 2023—May 27, 2023
Summer	June 5, 2023—August 12, 2023

Major Construction Projects/Improvements Underway or Planned for the Year

After completing the Propositions S & N projects at Miramar College, the Campus is now focused on a new Facilities Path to 2035 plan, which will identify how the campus facilities and infrastructure will grow over the next thirteen years to support the Educational Program. The Board of Trustees adopted the Facilities Path to 2035 plan in April 2022.

Recently completed projects include an infrastructure landscape and pathway project on the west side of Parking Structure 4, allowing for a safe walking path connecting the south end of Campus to the quad area and improving the look of that area. Smaller projects include: providing ADA parking spaces under some shading near parking lots 1 or 2 as required and repairing smart meters to track energy data on individual buildings.

San Diego College of Continuing Education Overview *Academic Year 2021-2022*

President: Tina King, Ed.D.

San Diego College of Continuing Education (SDCCE) is the adult education college in the San Diego Community College District. Approximately 30,000 students are served each academic year at seven campuses and hundreds of community locations. SDCCE is one of the oldest and largest noncredit institutions in the nation, serving San Diegans since 1914. Students are among the most diverse in California—culturally, ethnically, and educationally. Noncredit classes are offered at no cost, and students who enroll in classes have a variety of educational and personal goals. Programs address essential areas of adult education, including short-term career training in priority industry sectors (e.g., Information Technologies, Skilled and Technical Trades, Health Care and Advanced Manufacturing), career development, English as a Second Language, adult basic skills, an Emeritus program for age 55+, and Disability Support Programs and Services. Additionally, employers benefit from customized workforce training through our Employee Training Institute. SDCCE was one of the first noncredit institutions in the U.S. to be separately accredited by the Western Association of Schools and Colleges (WASC). The administrators, faculty, and staff are highly qualified, with many holding master's degrees and several holding doctoral degrees.

2022-2023 Continuing Education Terms

Fall	August 31, 2022—January 28, 2023
Spring	January 30, 2023—June 10, 2023
Summer	June 12, 2023—August 26, 2023

Major Construction Projects/Improvements Underway or Planned for the Year

The state of California awarded San Diego College of Continuing Education a \$35 million grant to preserve and rehabilitate the Educational Cultural Complex, one of southeastern San Diego's only centers for education and arts with ties to Coretta Scott King and the creation of the Dr. Martin Luther King Jr. Federal Holiday. Theatre renovations include modern acoustic panels, sound and lighting controls, updated entries, foyer areas, and seating. Additionally, plans will update surrounding exterior patio areas and a new community room that will welcome public use. The project is estimated to be completed in 2024.

Student Information

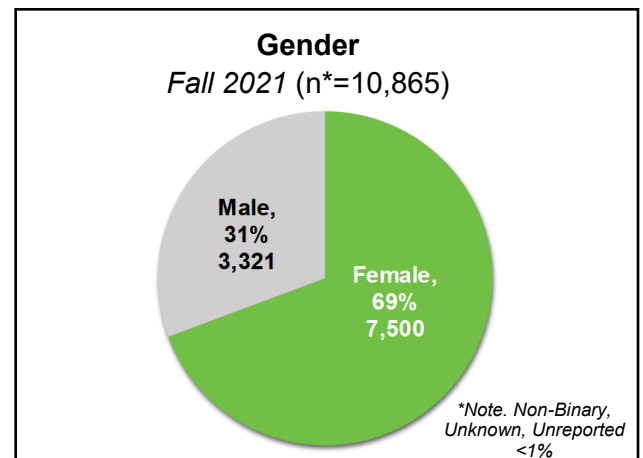

Annual FTES and Headcount 2021-2022		Headcount by Term (<i>Unduplicated within Terms</i>)	
Total 2021-2022 FTES (as of Final)	9,348	Summer 2021	6,427
Annual Unduplicated Headcount	17,378	Fall 2021	10,865
		Spring 2022	12,016

Definition of Terms

San Diego Community College District

ACP: Accelerated College Program. A dual enrollment program in which college courses are offered on high school campuses through an agreement between a high school and Mesa College. The goal of ACP is to accelerate degree completion for high-achieving students. High school students receive course credit for both high school and college transcripts.

Annual Year (2021-2022): For reporting purposes, the 2021-2022 Annual Year refers to Summer 2021, Fall 2021, Intersession 2022, and Spring 2022.

Basic Skills Courses: Courses in English and math that are one level or more below transfer level English and math. Also included are all ESOL courses.

CCAP: College and Career Access Pathways. A dual enrollment program established under California Assembly Bill 288 (2016) that serves students underrepresented in higher education. Under CCAP, a high school enters into an agreement with a community college to offer college courses on the high school campus. CCAP courses are closed to the public. High school students receive course credit for both high school and college transcripts.

Concurrent Enrollment: High school students enrolled in courses on the college campus outside of a CCAP or ACP agreement. This includes enrollments outside of any agreement. High school students receive course credit for both high school and college transcripts.

Contact Hours: Number of student contact hours for all methods of accounting including: WSCH, DSCH, PA, PO, PQ, IS, and IX.

Course Completion Rate (Previously Retention Rate): The percentage of students who complete a course with a grade of A, B, C, D, F, P, NP, I or RD out of total official census enrollments. Tutoring, challenge exams, and Credit for Prior Learning are all excluded.

Degrees, Certificates, and Diplomas: The number of degrees, certificates, and diplomas awarded in Summer 2021, Fall 2021, and Spring 2022.

Enrollment - College: The number of seats enrolled, or duplicated headcount. Drops, never attends, cancelled, Challenge Exams, Credit for Prior Learning, and tutoring classes are excluded.

Enrollment - Continuing Education: The number of seats enrolled, or duplicated headcount. Less than one attendance hour, drops, never attends, and cancelled classes are excluded.

First Generation Students: Students who have identified themselves as the first generation in their family to attend college.

FTES: The total number of full-time equivalent students enrolled. Excludes non-state supported, cancelled, and tutoring classes. F-Factor is included.

Headcount: The individual count of students, or unduplicated headcount. Drops, never attends, Challenge Exams, Credit for Prior Learning, and cancelled classes are excluded. Apprenticeship, contract, and fee-only students are also excluded.

San Diego Promise: These numbers reflect unduplicated headcount for Fall 2021 Promise Participants. The Campus listed is the "home" campus where students received Promise services. This count includes 2021-2022 Promise participants that signed a commitment contract and participants from the 2020-2021 cohort that returned for a second year and signed a re-commitment contract.

Students Receiving Financial Aid: The number of students who were enrolled as of official census and received financial aid.

Success Rate: The percentage of students who complete a course with a grade of A, B, C, or P out of total official census enrollments. Tutoring, noncredit, Challenge Exams, Credit for Prior Learning, and cancelled classes are excluded.

Transfers: The total number of students who transferred to a 4-year institution and were enrolled at an SDCCD college at any time within six semesters prior to transferring (including stop outs). The student must also have completed 12 or more transferrable units from any one of the SDCCD credit colleges within six years prior to transferring to a 4-year institution.
