 Persistence 26

 Degrees and Certificates 30

INTRODUCTION

This report is intended to provide information regarding Extended Opportunity Programs and Services (EOPS) students and their course-taking behaviors. This report is divided into two sections: 1) Student Demographics and 2) Student Outcomes. Where possible, the all student population is used as a comparison group. This report also includes benchmarks that may be used as a point of reference, including averages for the EOPS student population and all student population.

The data for this report are generated from the SDCCD Information System. Enrolled students are measured in their courses as of official Census unless otherwise noted. **Please note that college affiliation is determined by the college offering the course, rather than the college of EOPS service.** Where possible, outcomes are presented individually for each college and overall by all colleges. ECC students are included in the City College data. **Also note that students may take classes at multiple colleges; therefore, summed college totals may not match the all colleges total.** Additionally, some percentages may not total 100% due to rounding.

Student demographics, academic standing, GPA and certificate/degree information are provided separately for each primary term (fall and spring) in the 2009-10 academic year. Course success and retention rates are calculated for Fall 2009 and Spring 2010 primary terms. Student term-to-term persistence is calculated using Fall 2008 students as the cohort persisting to the Spring 2009 term and annual persistence is calculated using Fall 2008 students persisting to both the Spring 2009 and Fall 2009 terms.

Several of the measures used in this report warrant description.

- *Annual Persistence* - The percentage of census enrolled students in a fall term who received a grade notation of A, B, C, D, F, P, NP, I or RD and who enrolled in at least one course in *both* the subsequent spring and fall terms and received a grade notation of A, B, C, D, F, P, NP, I or RD.
- *Cumulative GPA* – Student cumulative GPA measured at the completion of each term.
- *Official Census Headcount or Enrollment* - All students who are enrolled as of the course designated census day (excludes Drops but includes Withdrawals). Characterized or marked by the week nearest to 20% of the number of weeks in the primary term and generally the Monday of census week.
- *Retention Rate* - The percentage of students who complete a course with a grade of A, B, C, D, F, P, NP, I or RD out of total census enrollments. (Note: tutoring, noncredit positive attendance, and in-service are excluded).
- *Success Rate* - The percentage of students who complete a course with a grade of A, B, C, or P out of total census enrollments. (Note: noncredit positive attendance and in-service are excluded).
- *Term-to Term Persistence* - The percentage of census enrolled students in a fall term who received a grade notation of A, B, C, D, F, P, NP, I or RD (cohort) and who enrolled in at least one course in the subsequent spring term and received a grade notation of A, B, C, D, F, P, NP, I or RD.
