Board of Trustees Meeting –  
September 22, 2016

# Student Ethnicity Highlights

- Latino students comprise the largest group of students across the District (36%); higher than the local service area (24%), and a 1% change in the ratio from 2014.

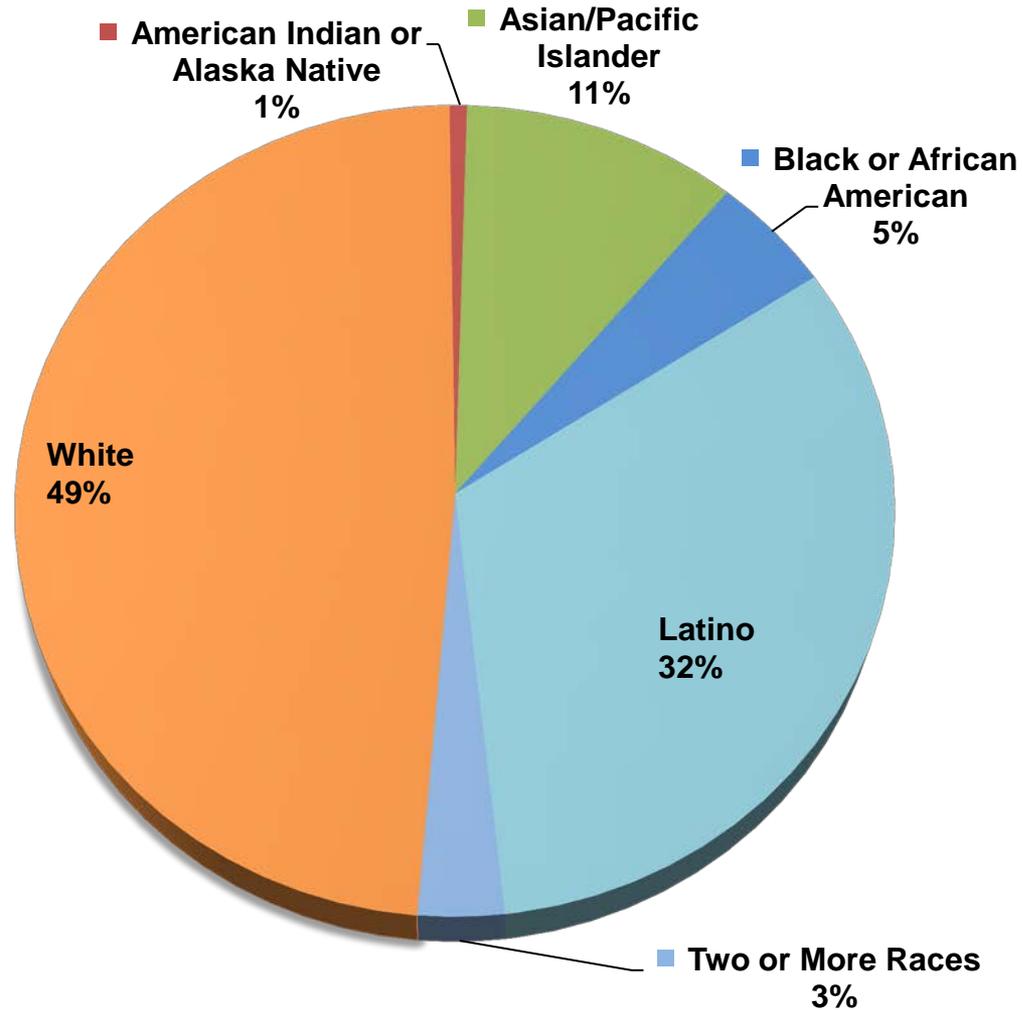

- The African-American student population decreased slightly from the previous year; 8% to 7%, but remained higher than the local service area of 5%.

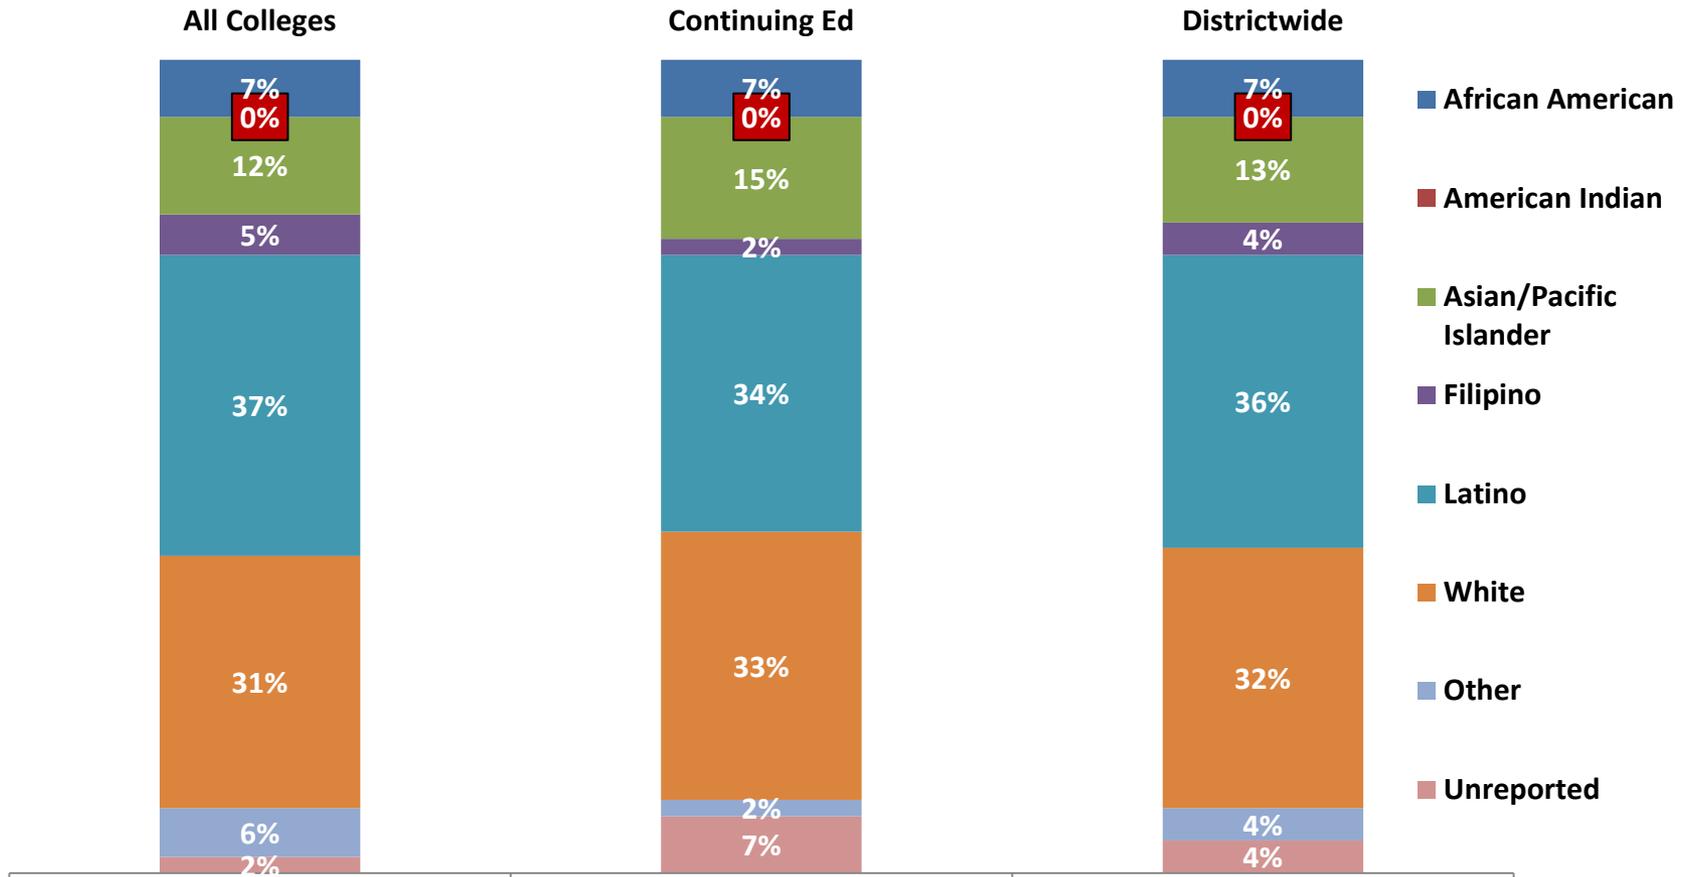

- The percentage of 18-24 year olds increased from 39% in Fall 2014 to 40% in Fall 2015, and remained proportionally much higher than the service area at 11%. Other age groups remained the same except for the 50+, which changed from 19% to 18%.
