Note from the Chancellor's Office

In 2006, the Chancellor's Office became aware that a statement in "The Program and Course Approval Handbook" (2003) contradicted the requirements for a major in Title 5 Section 55063. The statement allowed community colleges to offer "transfer studies degrees." which were intended to provide transfer students with associate degrees after they satisfied the lower-division general education requirements for a CSU or UC. Once it was determined "General Education Transfer Patterns" did not, by themselves, satisfy the requirements for a major, the programs were no longer allowed. The change impacted virtually every California community college.

In 2007, Title 5 Section 55063 (a), was revised to allow community colleges to develop associate degrees requiring 18 or more semester units in a major or area of emphasis. California community colleges were provided with an opportunity to request to convert a "non-compliant degree" to a "compliant degree or certificate of achievement."

Highlight of the Findings

HIGHLIGHT OF THE FINDINGS

All Colleges

1. Overall the number of awards conferred (degrees and certificates) is down 9% from a five-year high of 3,577 in 2004/05. However the number of awards conferred increased by approximately 5% from 3,078 in 2007/08 to 3,237 in 2008/09. The increase follows four consecutive years of steady decline in which the number of awards conferred at all three colleges dropped continually from 3,577 in 2004/05 to 3,078 in 2007/08.
2. Historically, examining all awards and certificates conferred from 2004/05 to 2008/09, on average, AA/AS degrees are conferred three times (67%) as much compared to all other certificates combined (33%). However, within only the certificates conferred during the same time period being reported, certificates requiring 29 or fewer units are awarded more often (56%) than certificates that require 30 to 59 units (43%) and certificates requiring 60 or more units (2%).
3. On average in 2008/09, Associate Degrees account for 60% of the awards conferred at City College and Miramar College and 75% of the awards conferred at Mesa College.

2008/09 Awards Conferred by College

	City	Mesa	Miramar
Associate Degree	658	915	546
Certificate 60 or More Units	0	23	0
Certificate 30 to 59 Units	168	190	151
Certificate 29 or Fewer Units	280	94	212
Total	1,106	1,222	909

4. The top 5 AA/AS degrees awarded at all colleges between 2004/05 and 2008/09 were as follows (excluding transfer studies and liberal arts): Child Development (n=389), Business Administration (n=378), Biology-Allied Health (n=356), Nursing Education (n=310) and Fire Technology (n=223).
5. The Radiologic Technology Certificate was the top certificate requiring 60 or more units awarded between 2004/05 and 2008/09 (n=97).
6. The top 5 certificates requiring 30 to 59 units awarded between 2004/05 and 2008/09 were as follows: Business Administration (n=414), Behavioral Sciences-Alcohol & Other Drug Studies (n=225), Interior Design (n=161), Cosmetology (n=110), and Aviation Maintenance Technology-Airframe (n=96).
7. The top 5 certificates requiring 29 or fewer units awarded between 2004/05 and 2008/09 were as follows: Child Development Teacher (n=360), Fire Technology (n=317), Child Development Associate Teacher (n=311), Building Trades-Electrical (n=185), and Fitness Specialist (n=118).
8. Of the 260 Associate Degree programs that conferred awards from 2004 to 2009, 163 (63%) programs conferred 10 or fewer awards.

Continuing Education

1. Overall the number of awards conferred (certificates, GEDs and high school diplomas) at Continuing Education increased approximately 51% from 1,263 in 2007/08 to 1,906 in 2008/09. The increase is likely due to several new programs at Continuing Education and significant enrollment increases in programs that last year had zero enrollment figures.
2. Continuing Education conferred 643 more awards in 2008/09 than the previous year. The annual number of Certificates of Completion increased by 579 from 2007/08 to 2008/09, which represented 90% of the increase, while both GEDs and high school diplomas each increased by 32, and each represented five percent of the increase.

2008/09 Continuing Education Awards Conferred

	Continuing Education
Certificate of Completion	1,161
GED Certificate	228
High School Diploma	517
Total	1,906

3. The number of high school diplomas increased by 7% from 485 diplomas conferred in 2007/08 to 517 diplomas conferred in 2008/09. High school diplomas were up 89% from 2004/05 to 2008/09.
4. The number of GED Certificates increased 16% from 196 certificates conferred in 2007/08 to 228 certificates conferred in 2008/09. GEDs were up 10% from 2004/05 to 2008/09.
5. The top 5 programs that awarded certificates of completion over a five-year period (2004/05 to 2008/09) were as follows: Certified Nursing Assistant; Front Desk/Office Assistant; Metal Arc, Oxy and Flux Core; Automotive Technician; and Home Health Aide.
6. The top 5 programs with the largest number increase that awarded certificates of completion from 2007/08 to 2008/09 were as follows (in order): Intro into Networking, Multimedia-Interactive Media, Culinary Arts II, Certified Nursing Assistant and Web-Interactive Media.
